I am Killer Duke, the Top Hound of the world, and I've been hearing many rumors on the never ending spirit of Grant High, so I decided to come and check out the 77-78 school year.

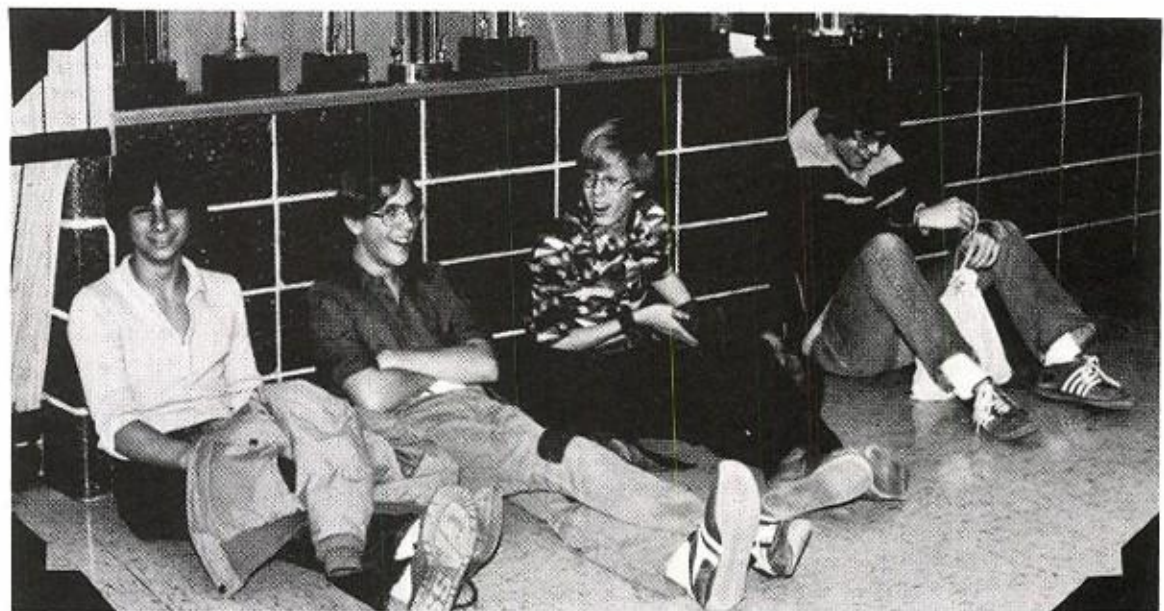

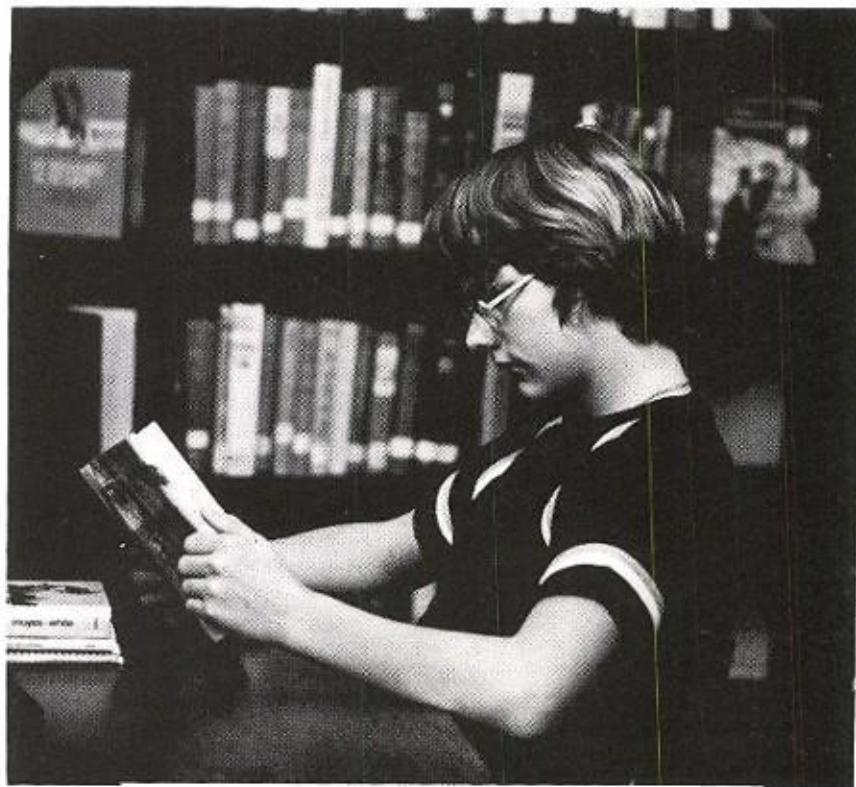

# *IN MEMORY*

*ROBERT MITCHELL  
MARCH 12, 1961  
JANUARY 16, 1978*

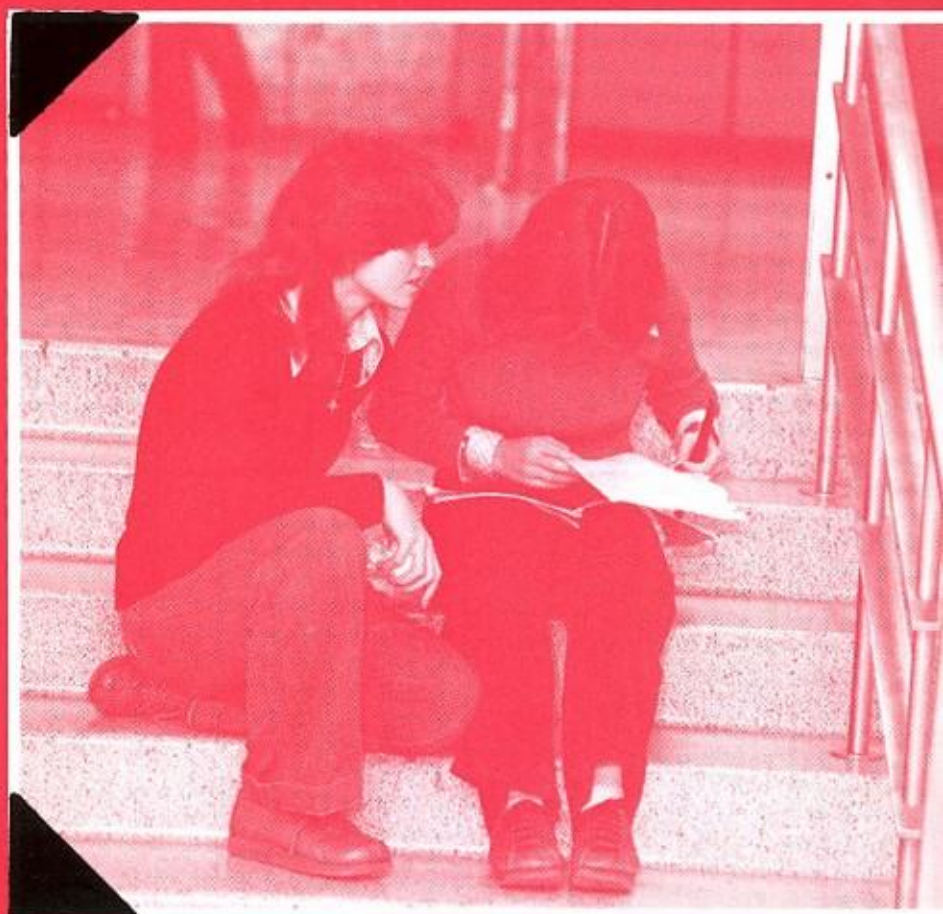

By word of mouth, I became impressed with the stories behind the Grant scene. I was really excited when the first day came around. Everyone was very friendly; I saw so many new faces. I felt like a Freshman, especially when someone came up to me and asked if I wanted to buy an elevator pass. They said I would need to take the elevator to get to the swimming pool. I didn't think it was worth it since the only stroke I knew was the dog paddle.

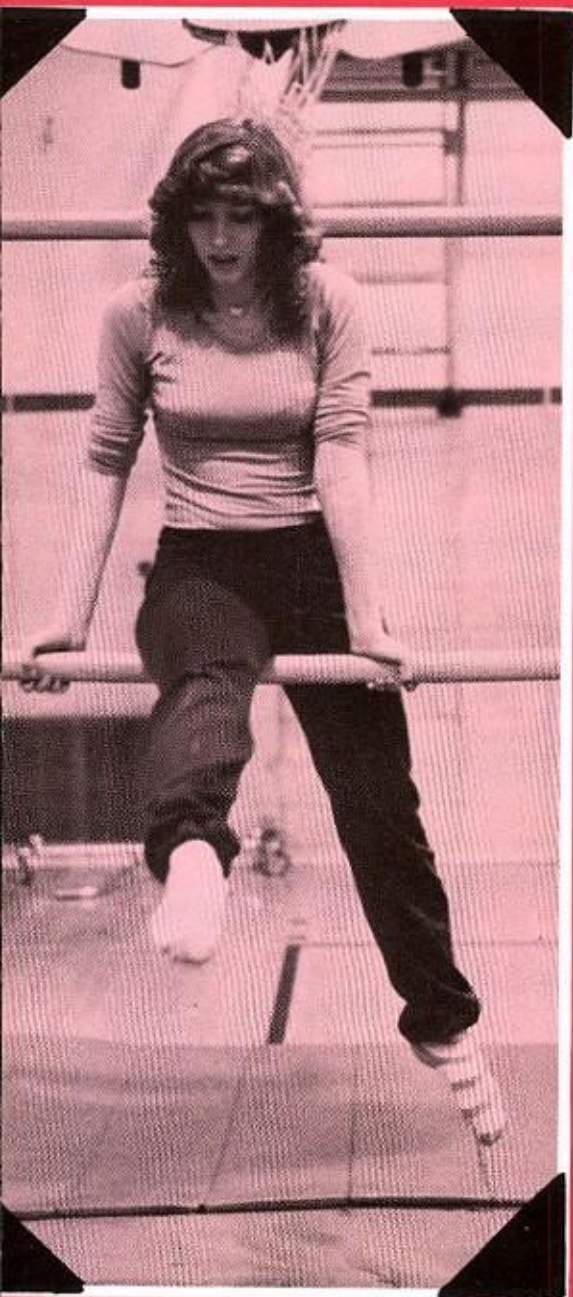

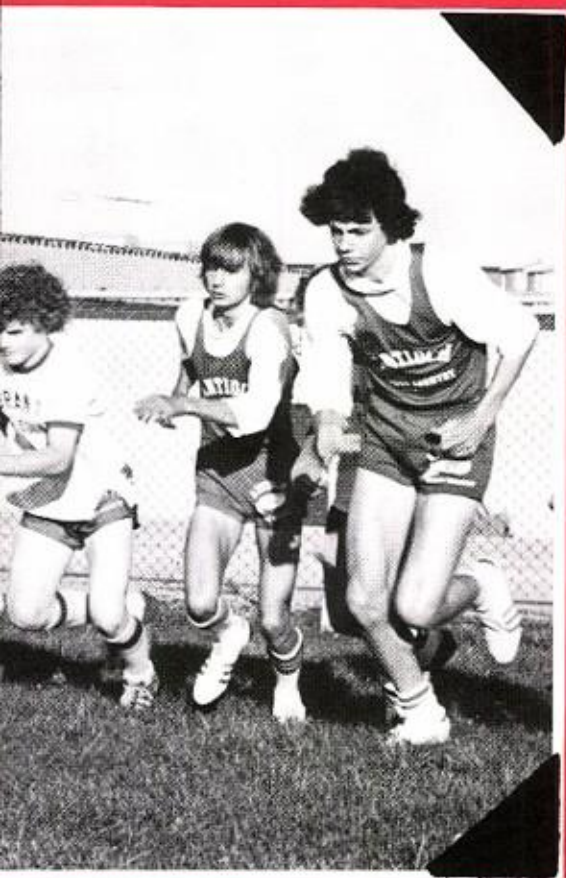

As the year went by I became familiar with the students and the school. Just as I was getting used to the time schedule for my classes, they went and changed it on me. Then when I got used to enjoying 10 minutes between 4A, 4B, and 4C they changed it again. I am really glad they finally made up their minds.

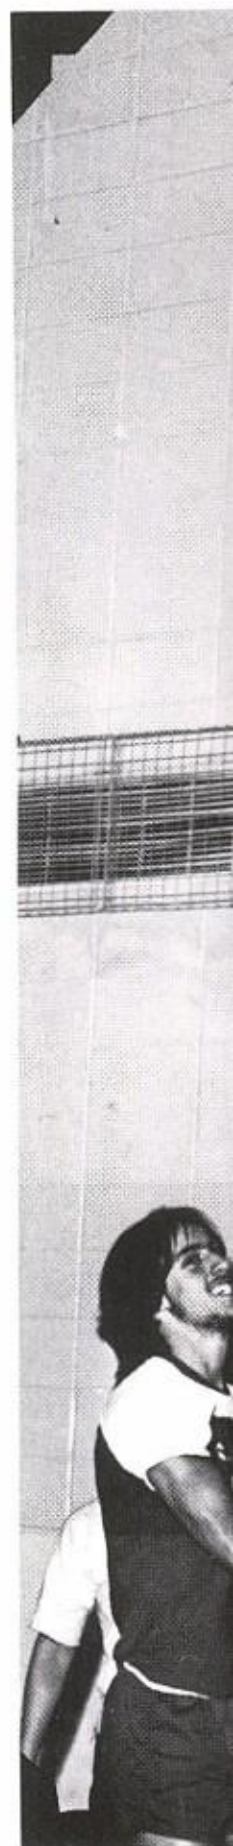

Along with the confusion of the time schedule, we had 4 snow days this year. When the news of no school leaked out, the students were jumping around like my friends do when they have fleas.

This winter took everyone by surprise, especially the students who drove to school. Since I was such a pro at digging, I found myself up to my tail helping them out of the parking lot.

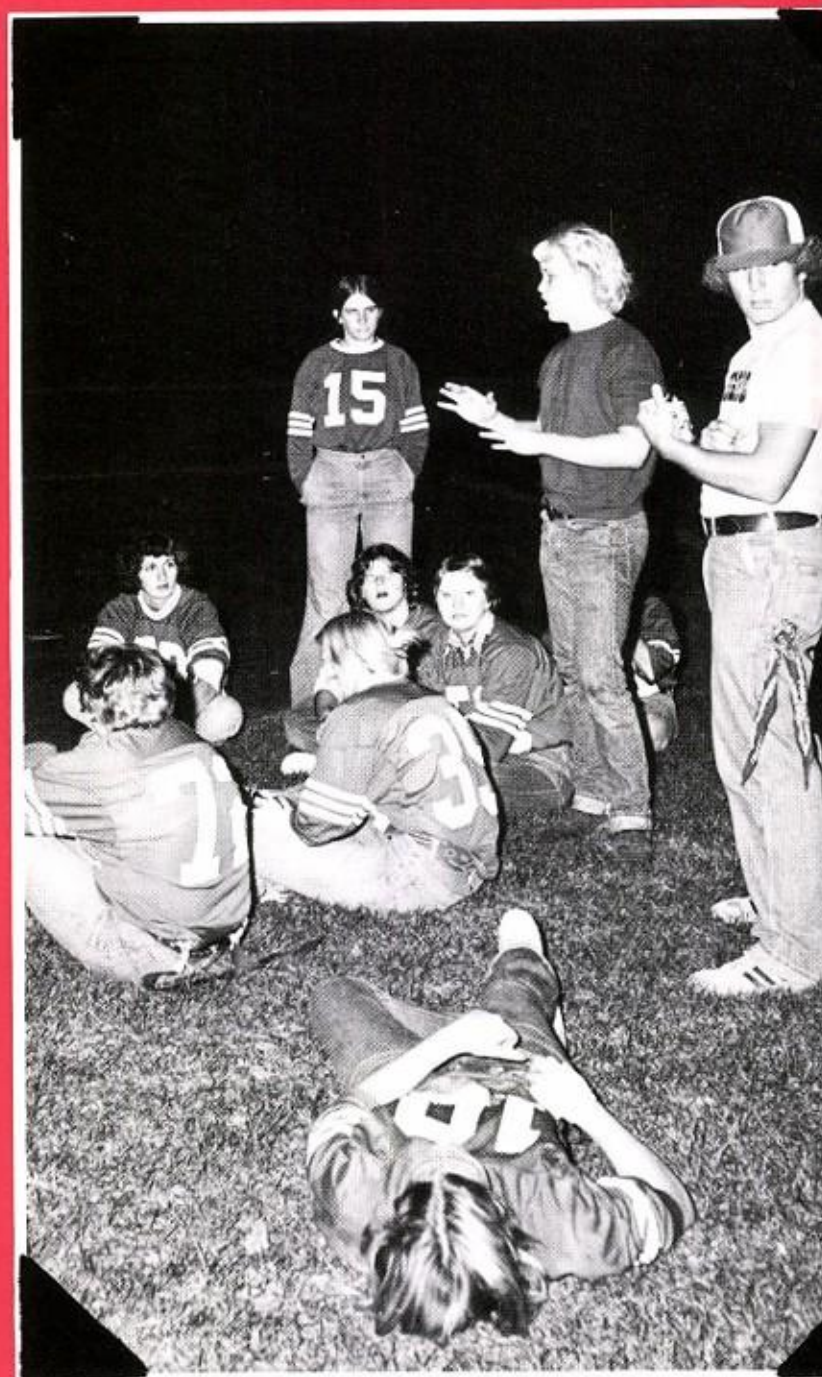

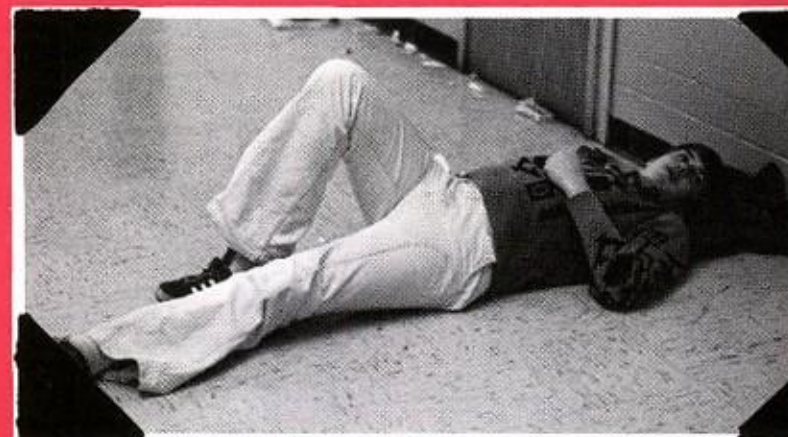

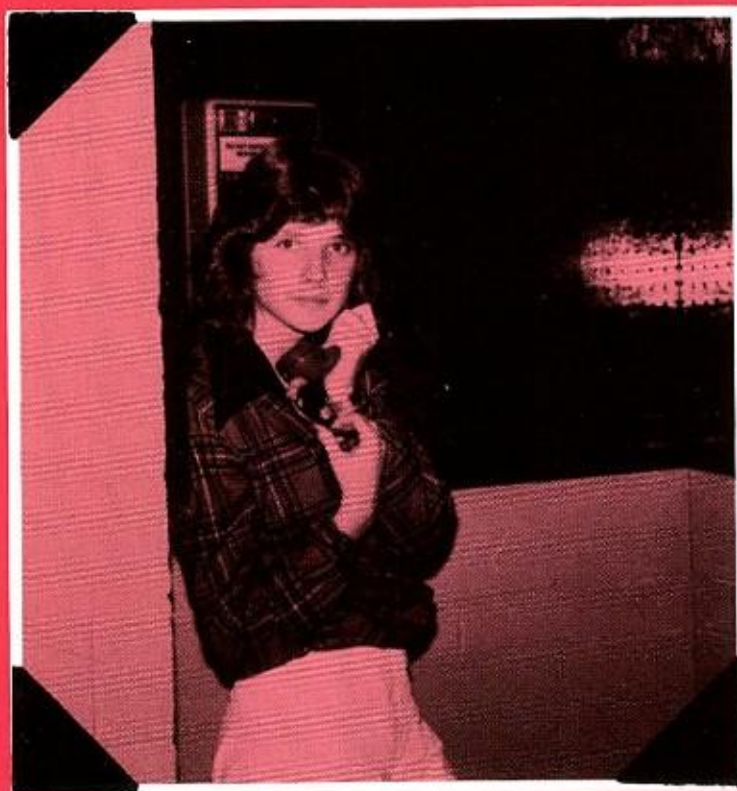

Many other events occurred during the school year that gave the students a chance to escape from their studies, such as Homecoming, Prom, Musical, games, assemblies, etc.

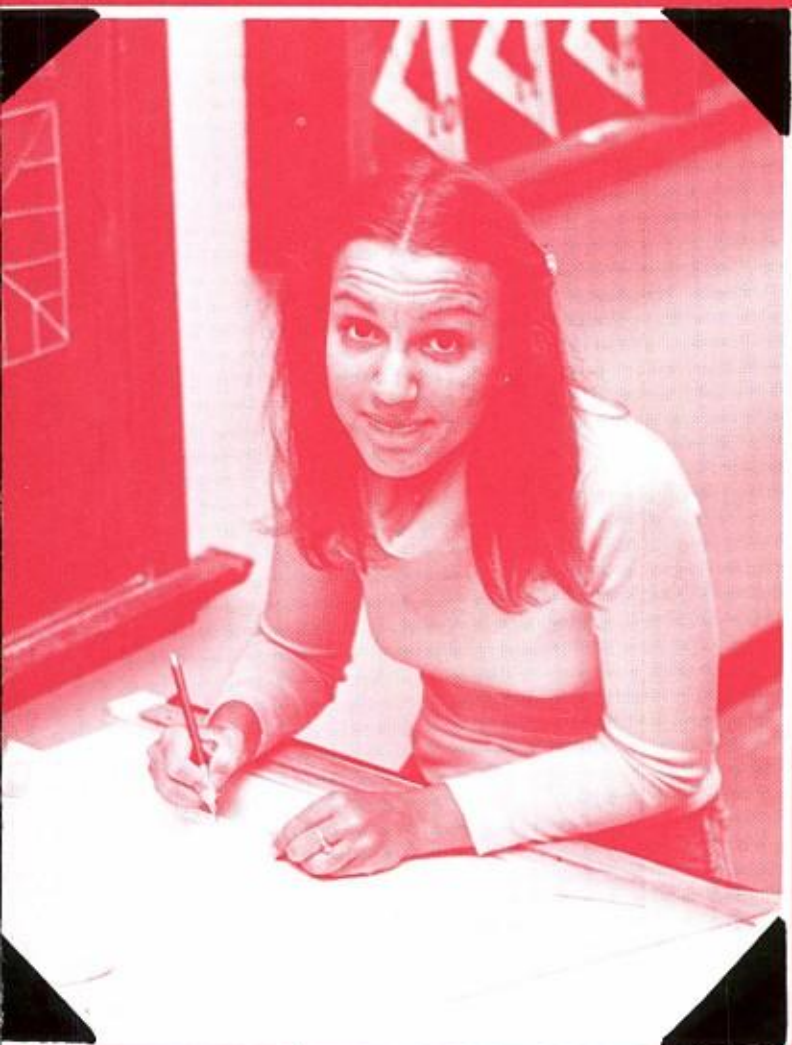

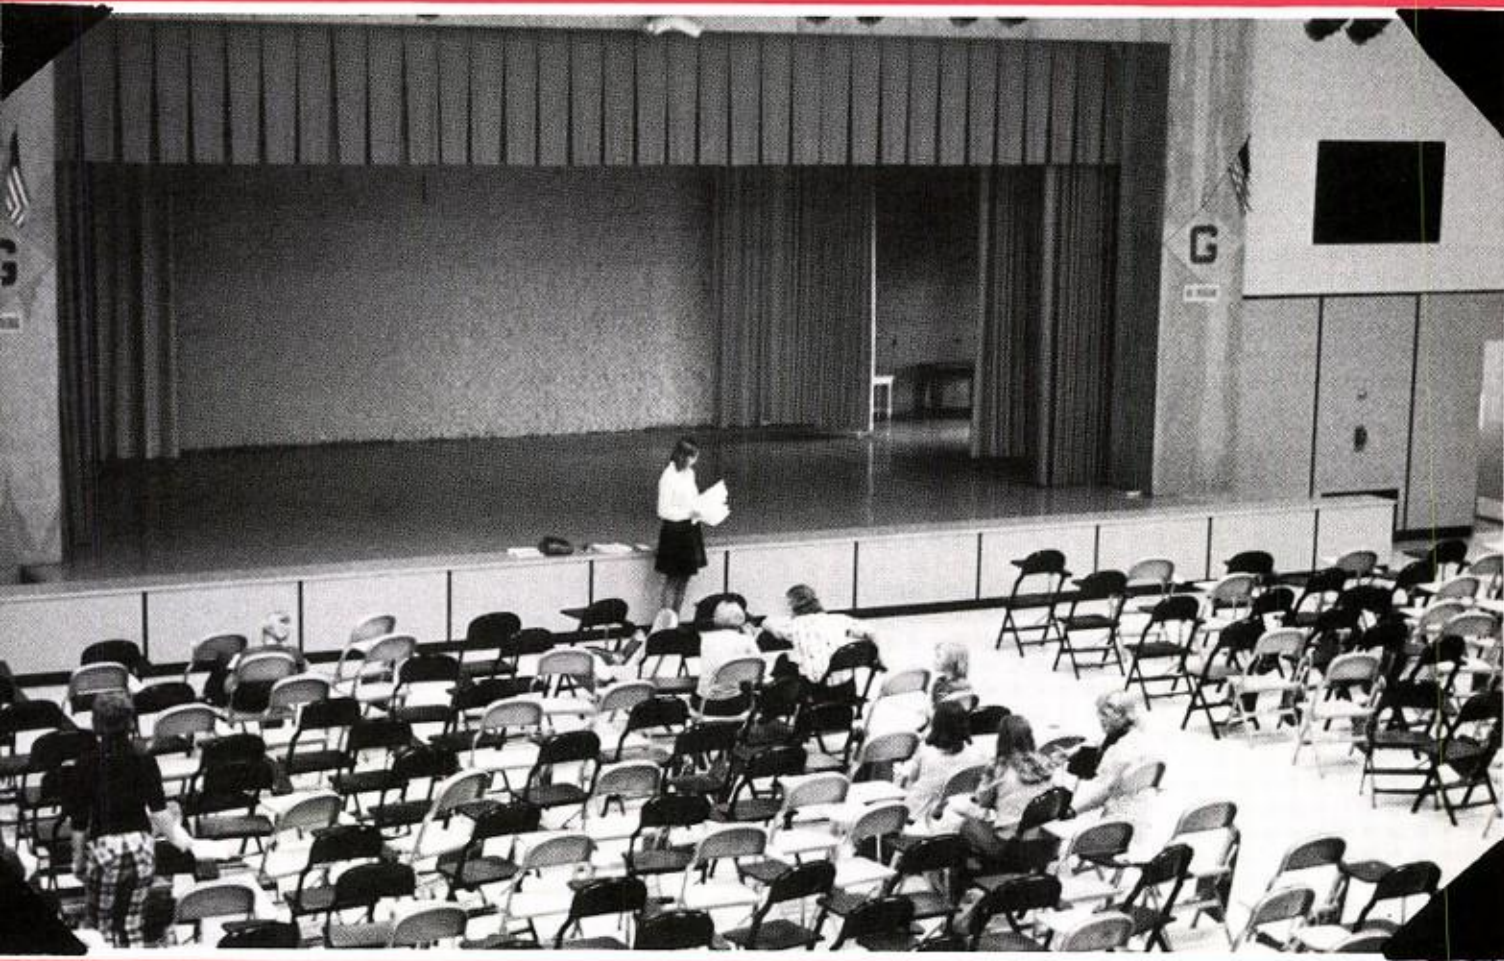

I carried my camera with me everywhere to capture The Year in Pictures. Along with my pictures I have put together my thoughts and impressions in a giant scrapbook filled with the memories of this school year.

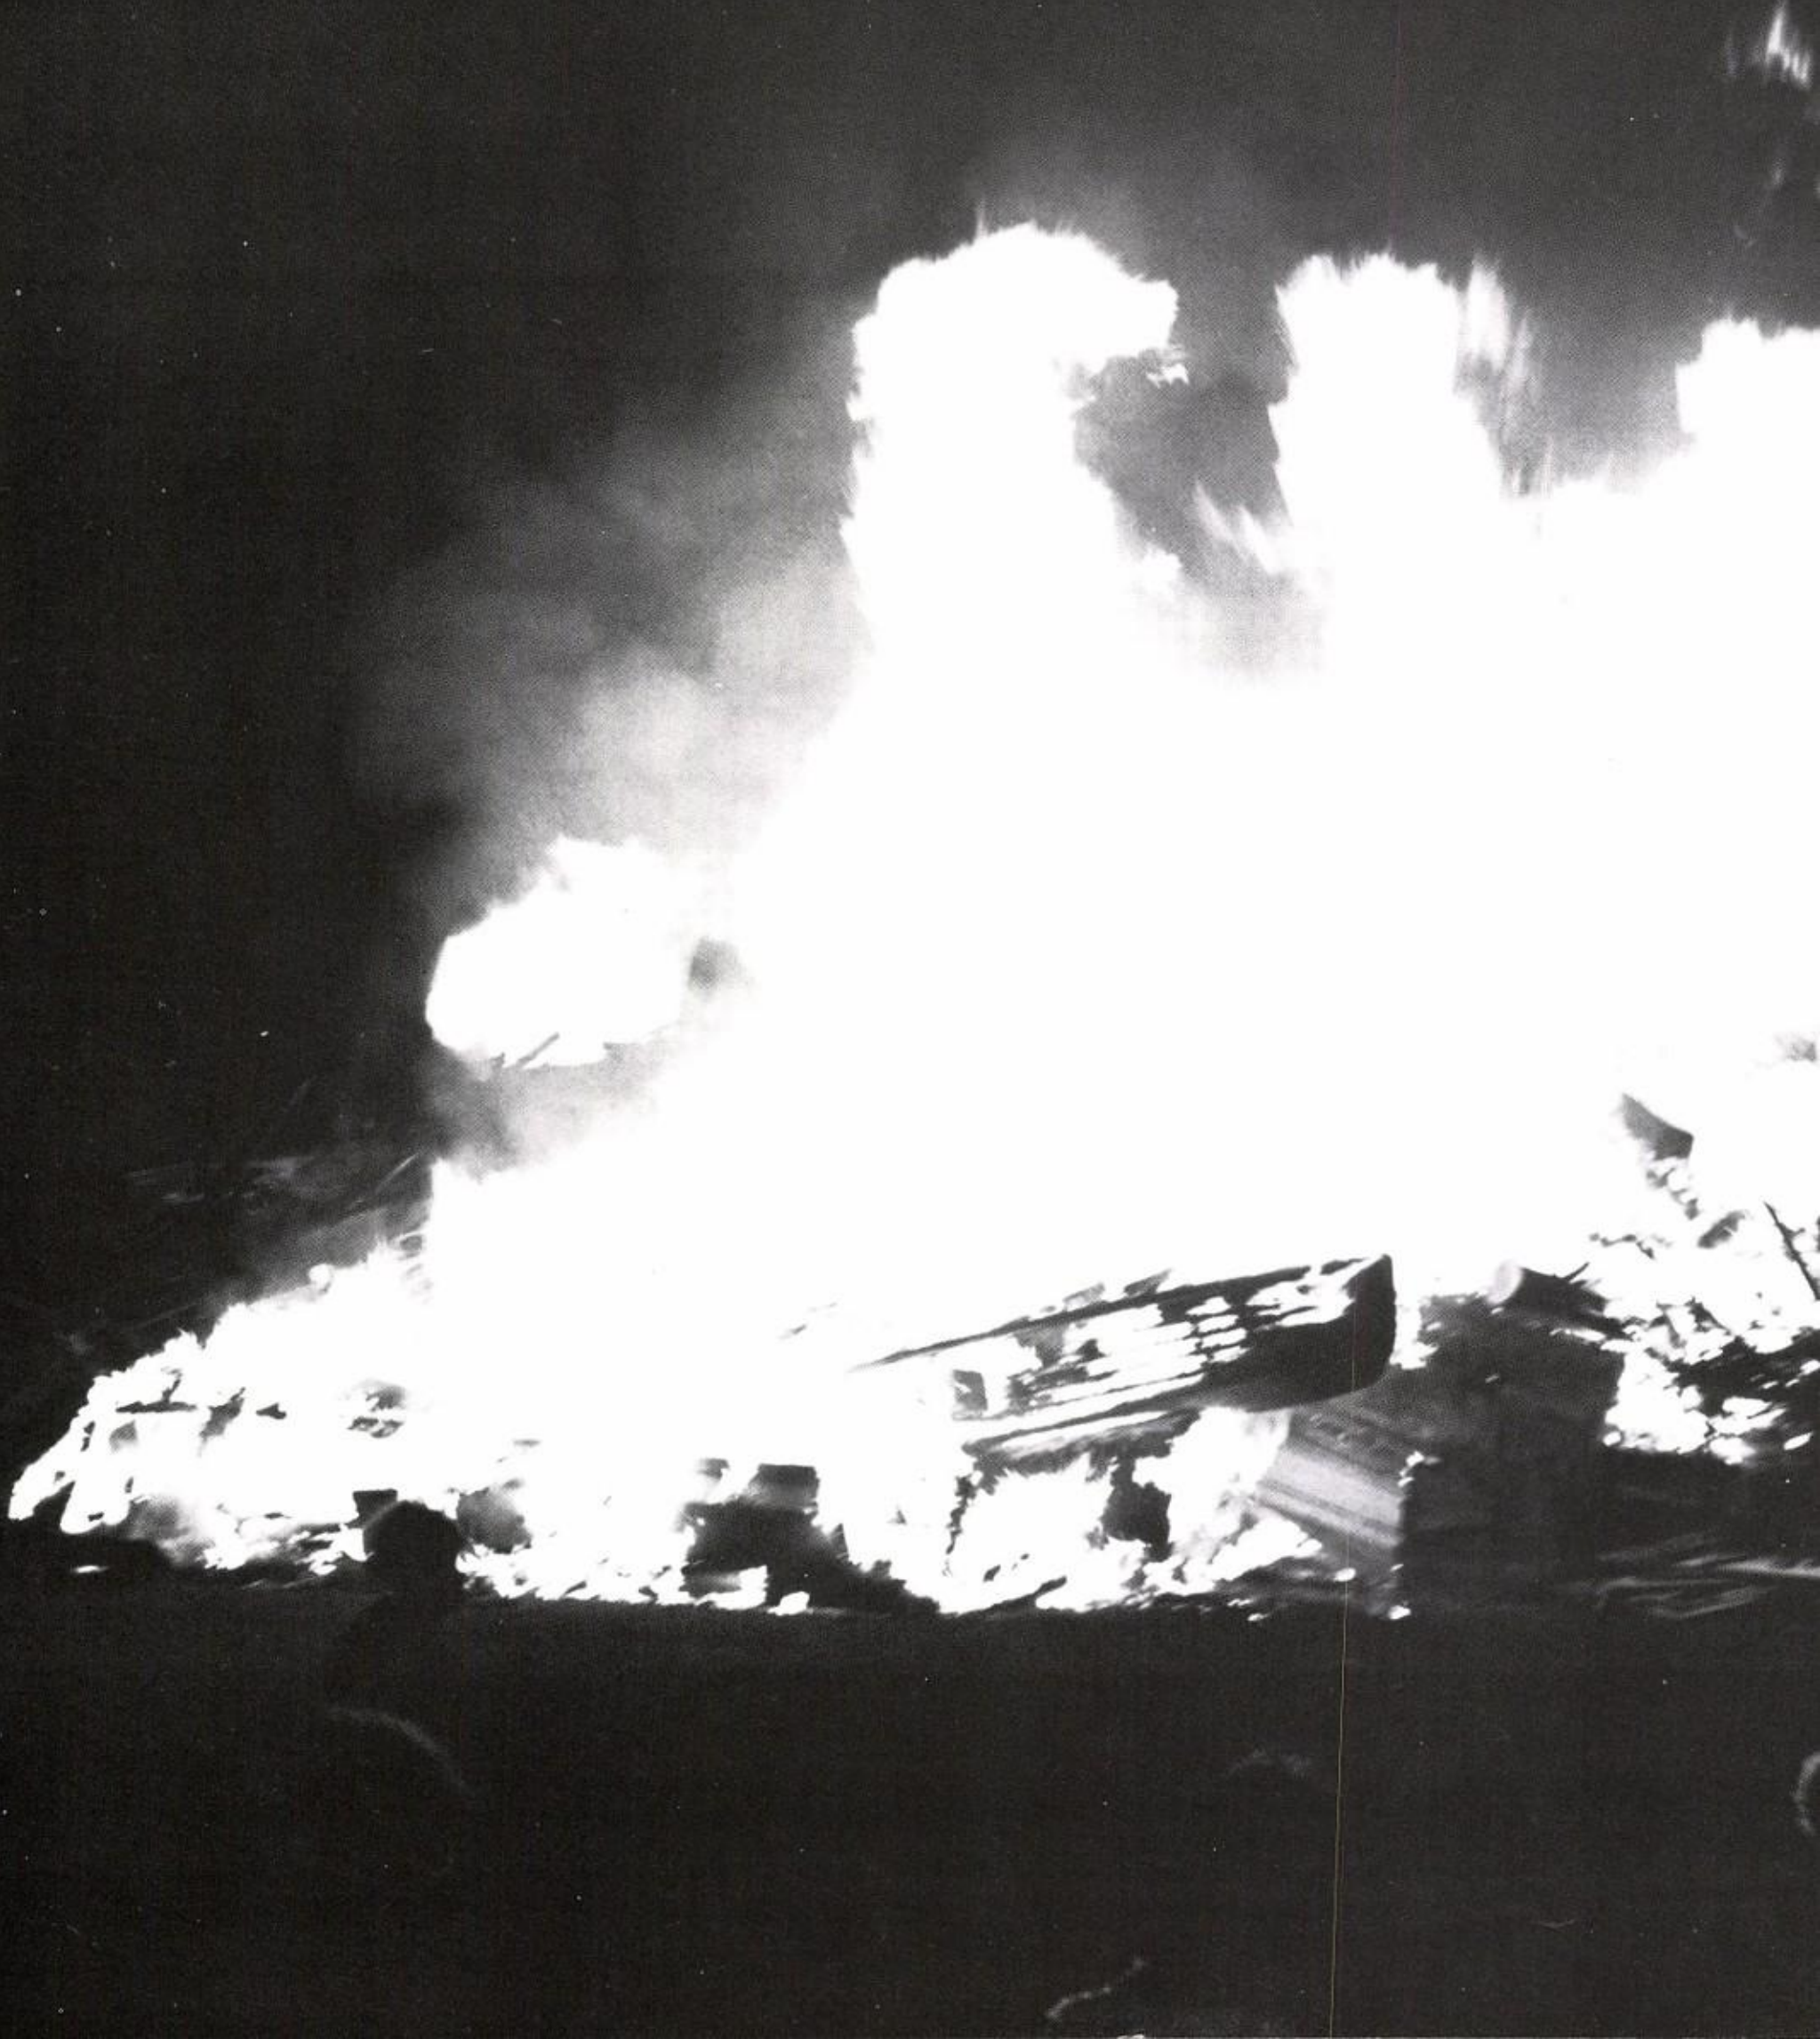

I have so much more to share with you and I will be giving you my thoughts and impressions throughout the book. So now, if you are ready, let's step into The Year in Pictures, 1977-78.

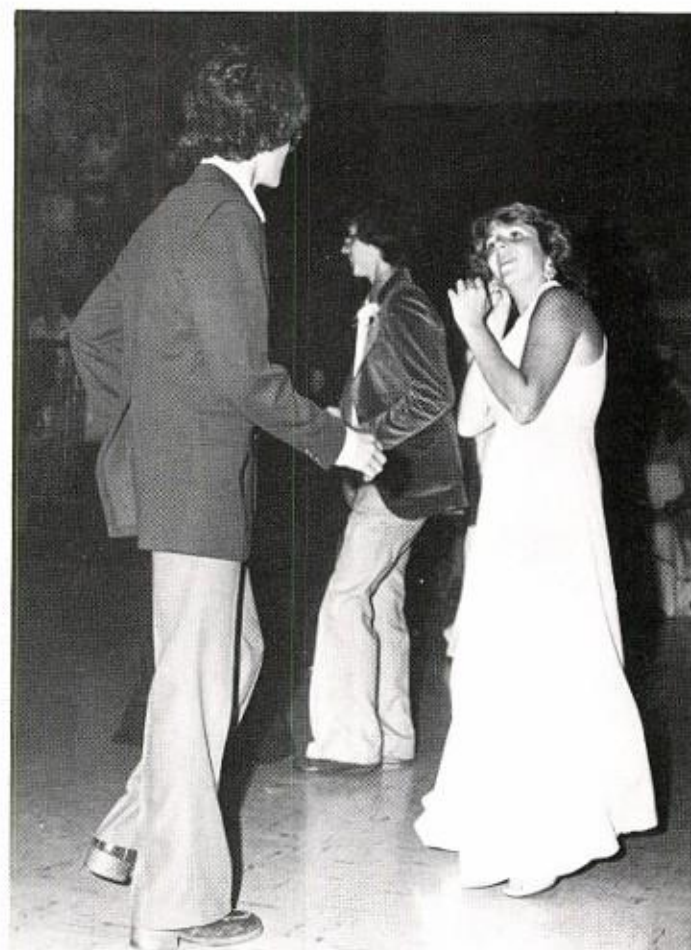

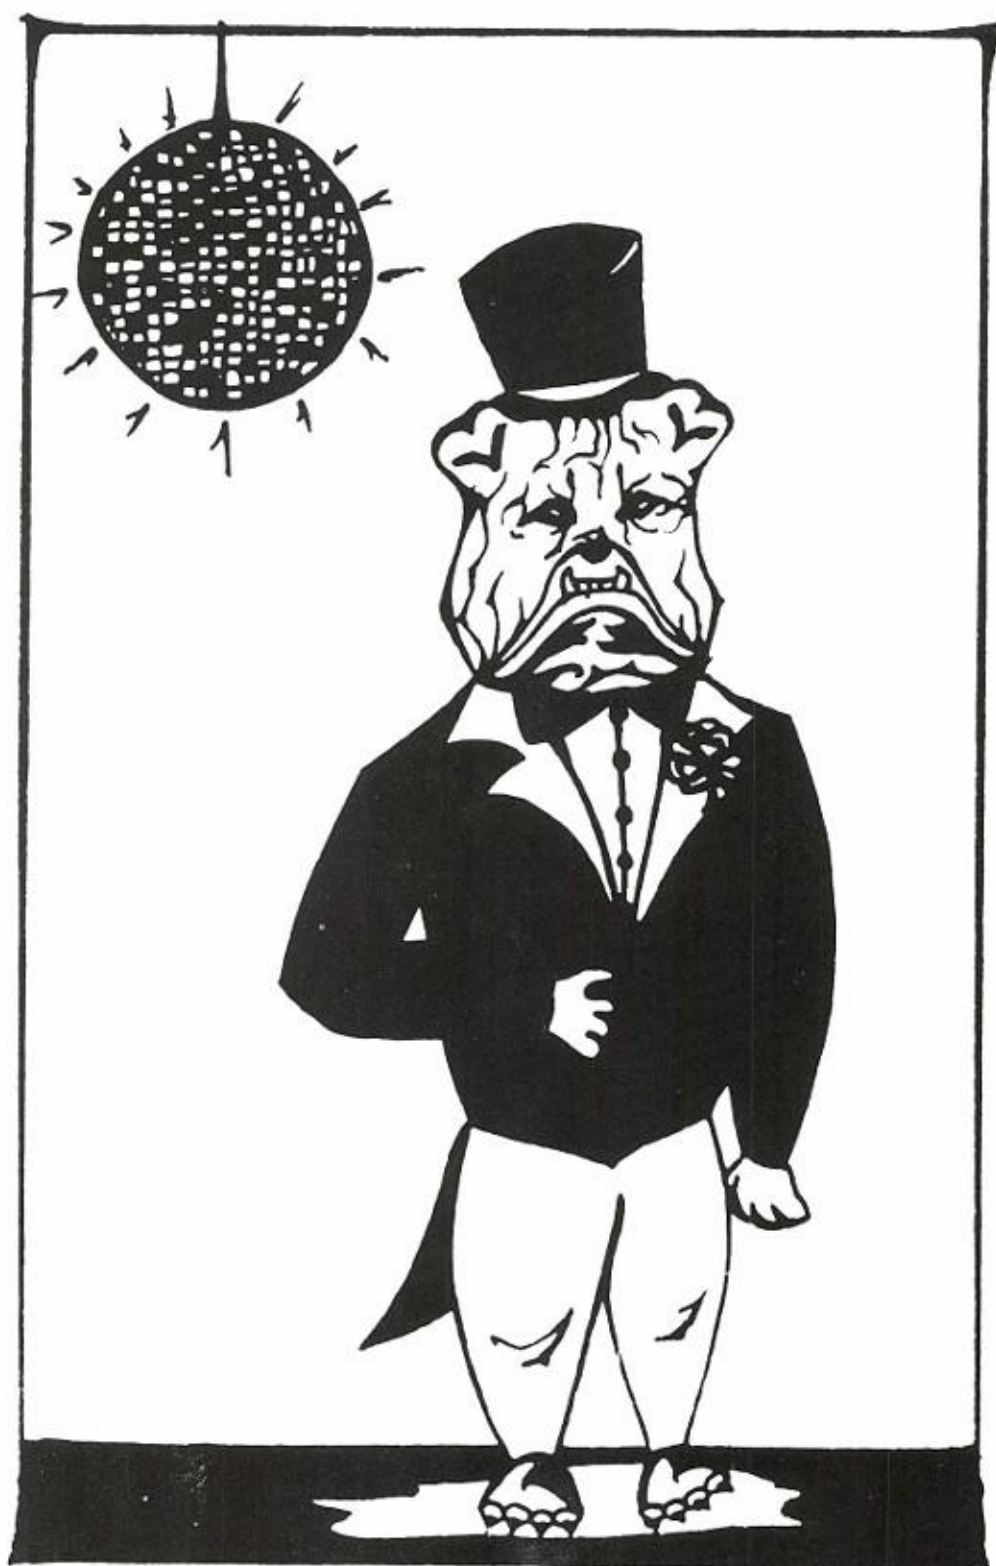

# SPECIAL EVENTS

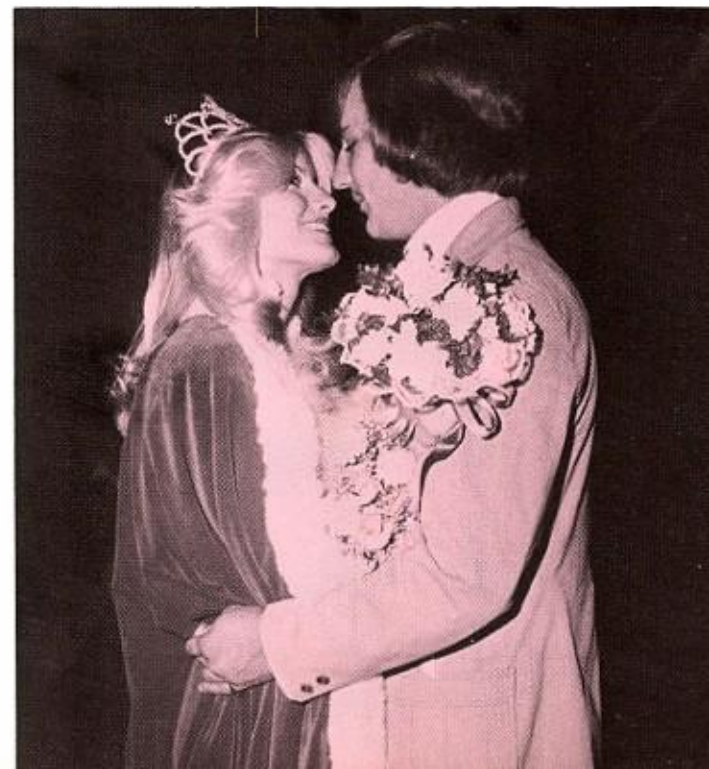

## OFF TO SEE THE WIZARD

Well, it was off to see the wizard this year during Homecoming. I knew that with the coaches having the brains, the team having the courage to win, and the fans having the heart and spirit to back them up, we could not lose.

Saturday afternoon, as I walked down the yellow path painted on the field, I noticed that the rain had not stopped the fans from coming. The teams practiced for this day a long time. The game turned out successful with a victory over Wauconda. The mood was right for the dance.

# HOMECOMING

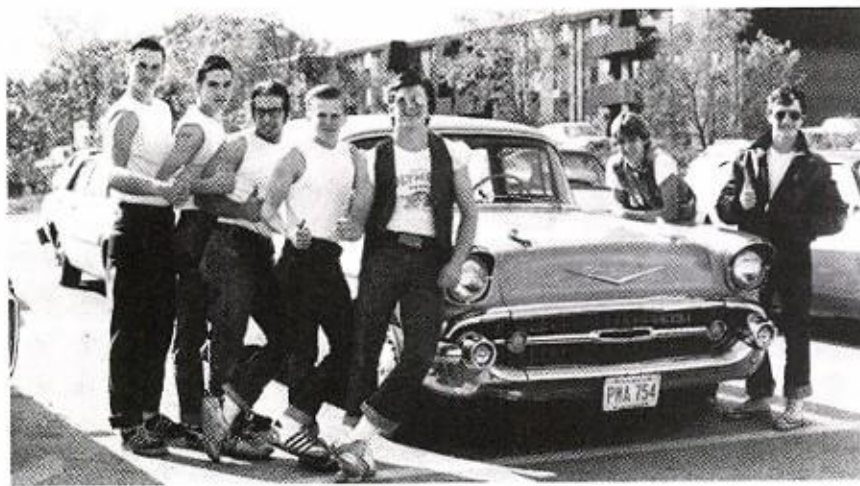

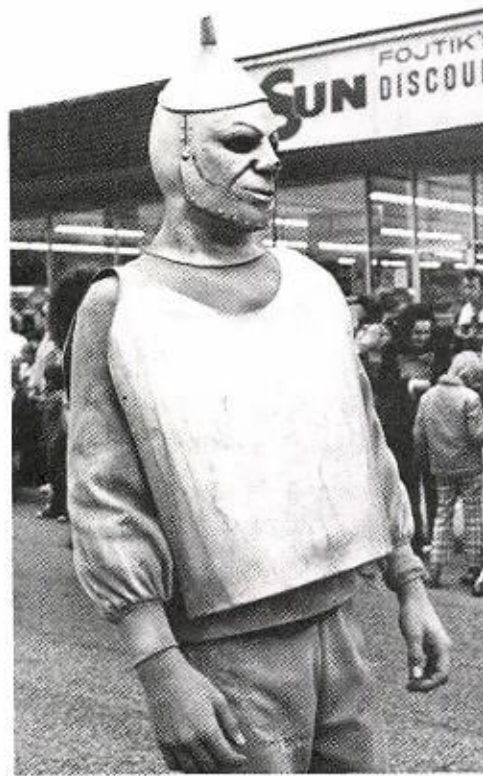

'77

Earlier, on Friday, I watched the Seniors decorate. When 2:00 rolled around, everyone returned to school for the pep assembly. To my amazement, the gym was filled with shouts of spirit and joy when Teres Barrettsmith and Mark Lofredo were announced queen and king.

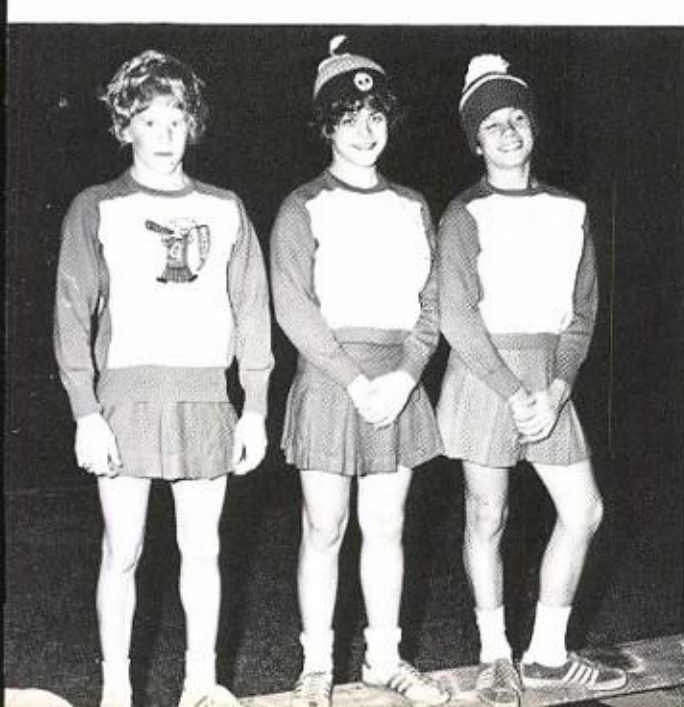

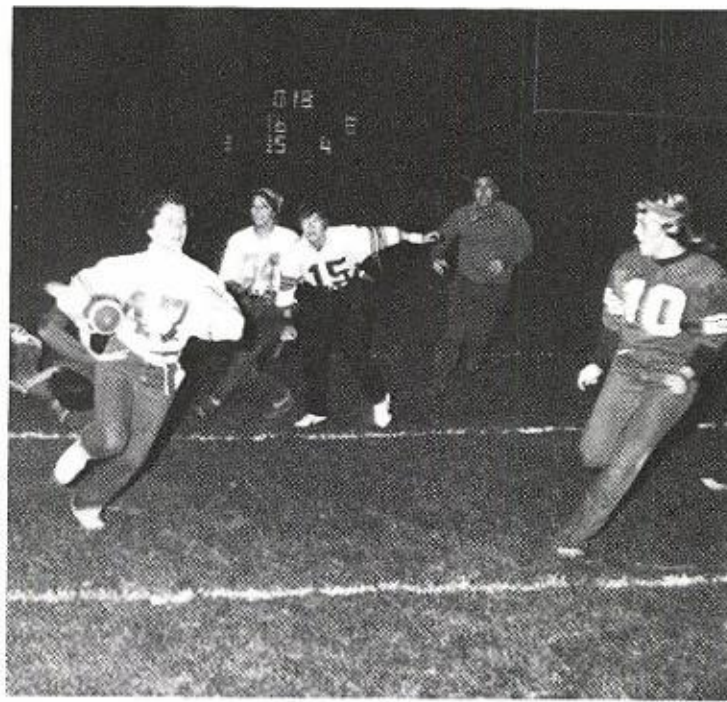

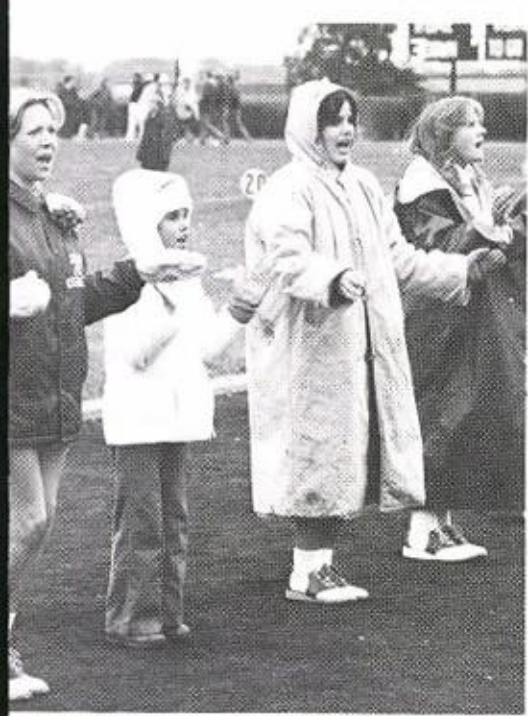

That evening we attended the girls' football game and watched the Seniors defeat the Juniors. The bonfire and rock dance finished the night's activities.

Saturday morning I hurried to town to watch the parade. This year it was at 9:30 because of the afternoon game. I saw a lot of smiles throughout the crowd and participants despite the weather. At the game, the cheerleaders and pompon girls helped to keep the spirit going. The excitement grew when Teres announced the Junior float and Jewel's window to be the winners. The game turned out victorious over Wauconda, proving that our dog is better than theirs.

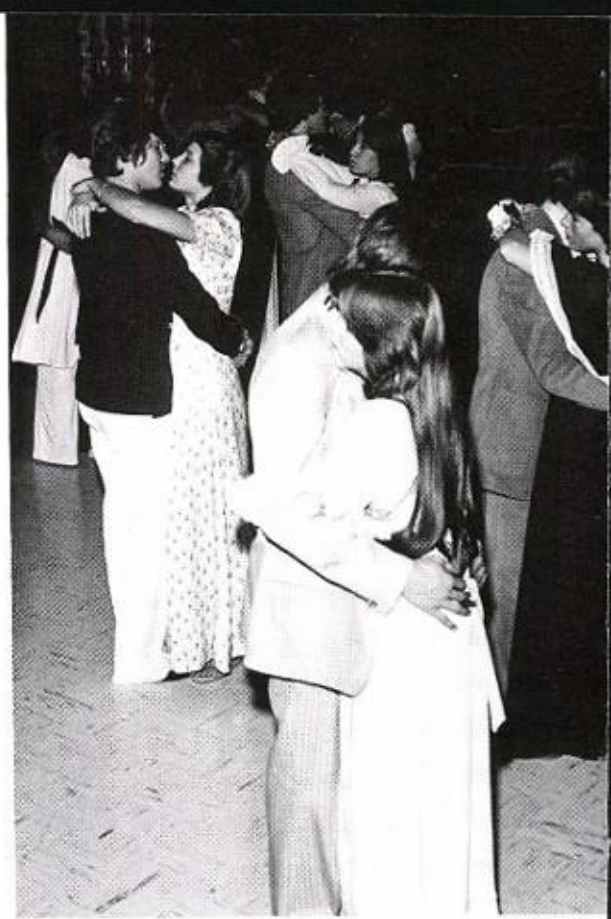

# ICICLE ILLUSION

I could hardly believe it when this cute little Bulldog asked me to go to this year's Christmas Formal entitled Icicle Illusion. Since this is my first year here, I was not familiar with the custom of a turnabout dance where the girls ask the boys. Where I come from we usually make friends by sharing a bone.

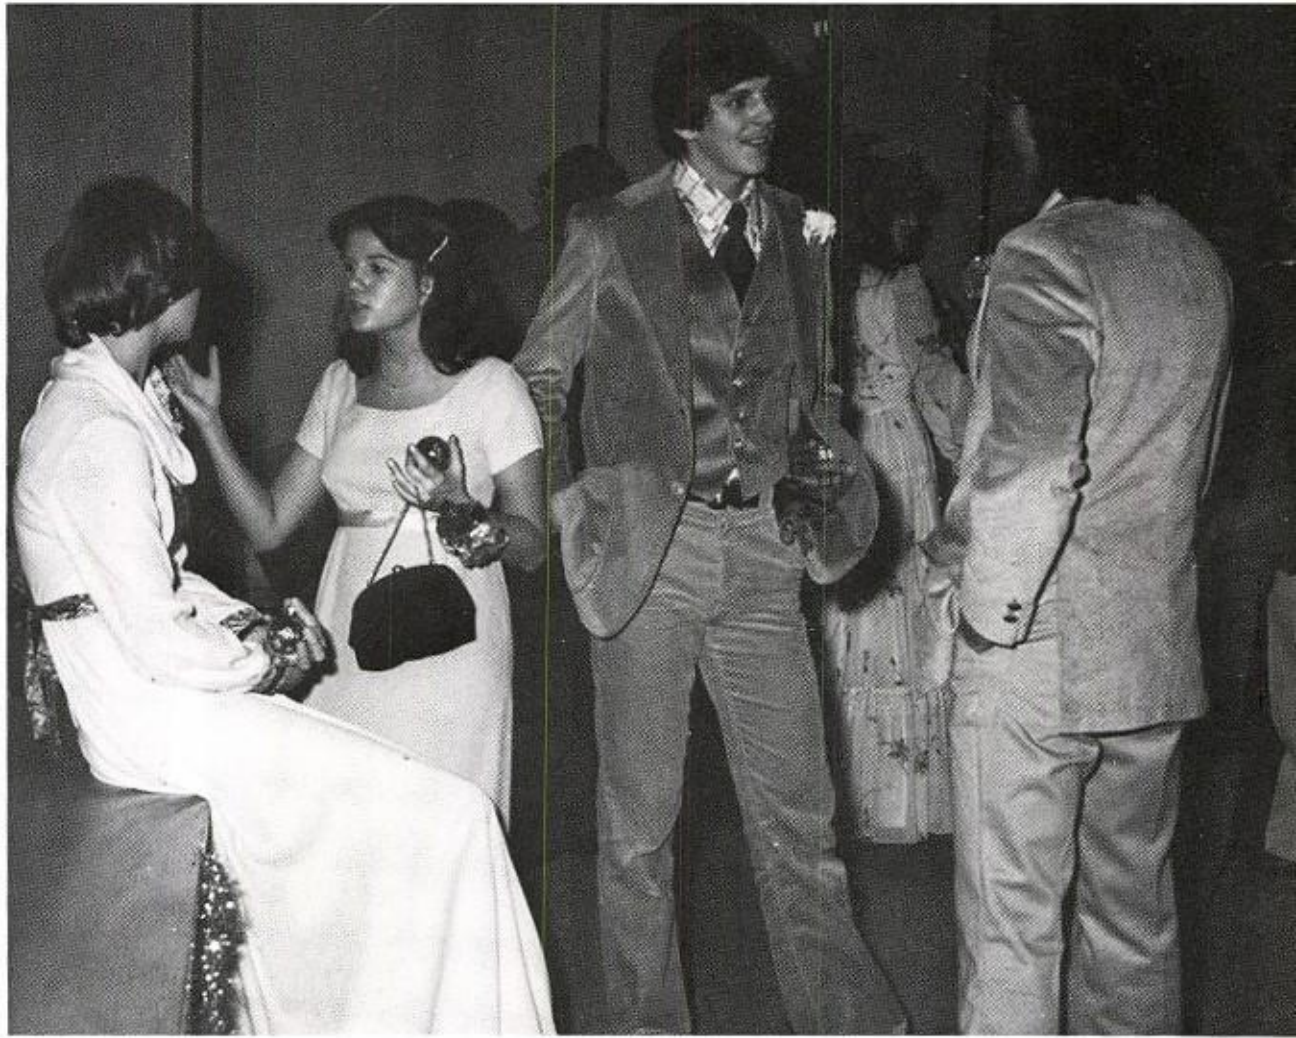

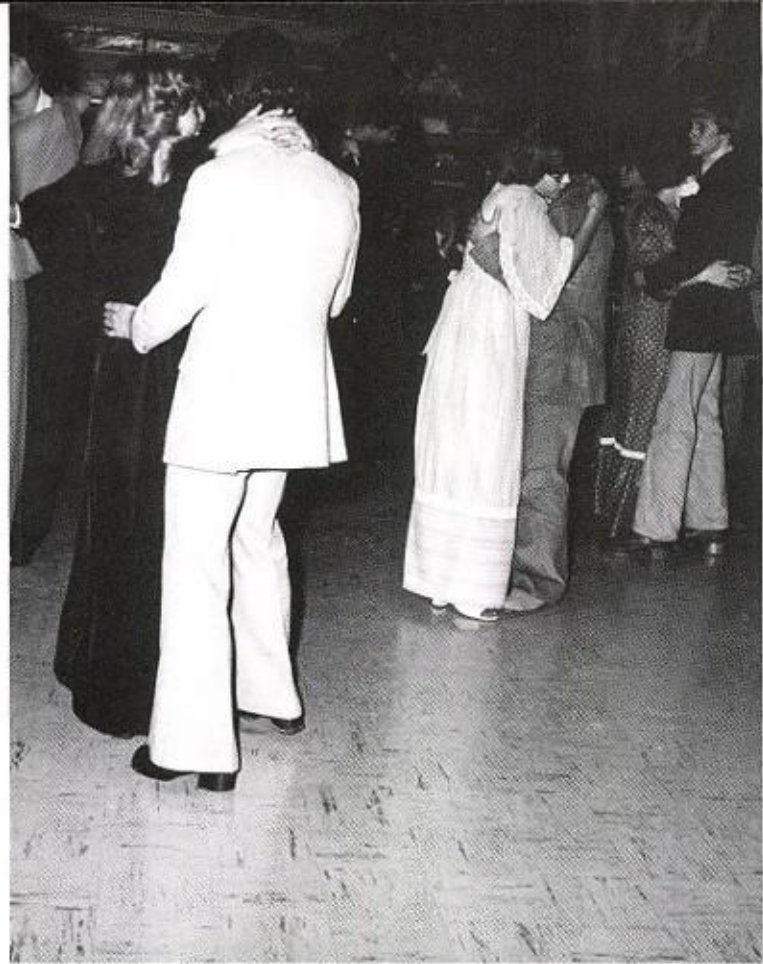

It was a magical evening as I and the rest of the students swayed to the sounds of Toulouse. When my date and I went to retrieve our ornament from the Christmas tree, we saw many were broken on the floor and I feared that ours might be too. Finally we found it near the top and I got to take it home to help me remember that magical night and another one of Grant's traditions.

## CHRISTMAS FORMAL

# THE SOUND OF MUSIC

I must admit it, the musical is a great time of year with its beautiful costumes, bright lights, and wonderful songs. On April 16, 17, & 18th, Grant's auditorium was filled with The Sound of Music.

This year I took a look backstage to see all of what goes into a musical. Many things happened, such as late scripts, disappointing costumes, and only one dress rehearsal, that made it hard to pull this musical off. But, as always, it was a success!

Everyone spent a lot of time painting, acting, singing, directing, etc., making this musical a joint effort.

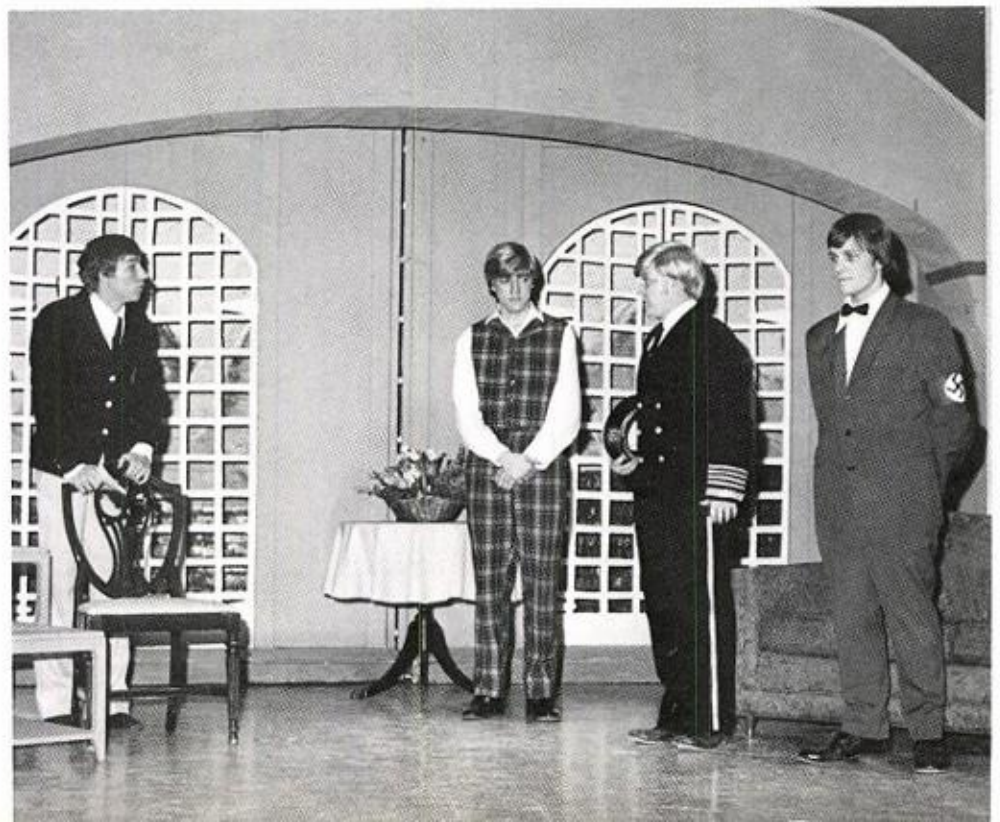

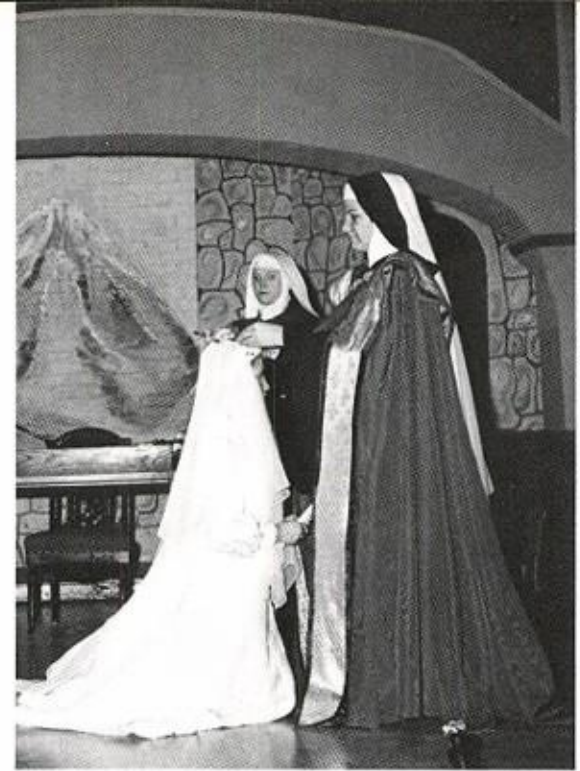

I'll never forget when Lisa had to kiss Tim after he had eaten Doritos, or Doug leaving his pants locked in the bandroom on opening night.

I was given an appointment to the Poof Stars Dressing Room Tour, but it was too crowded to get in. Well, I tried. Maybe next year I'll be lucky enough to take the tour.

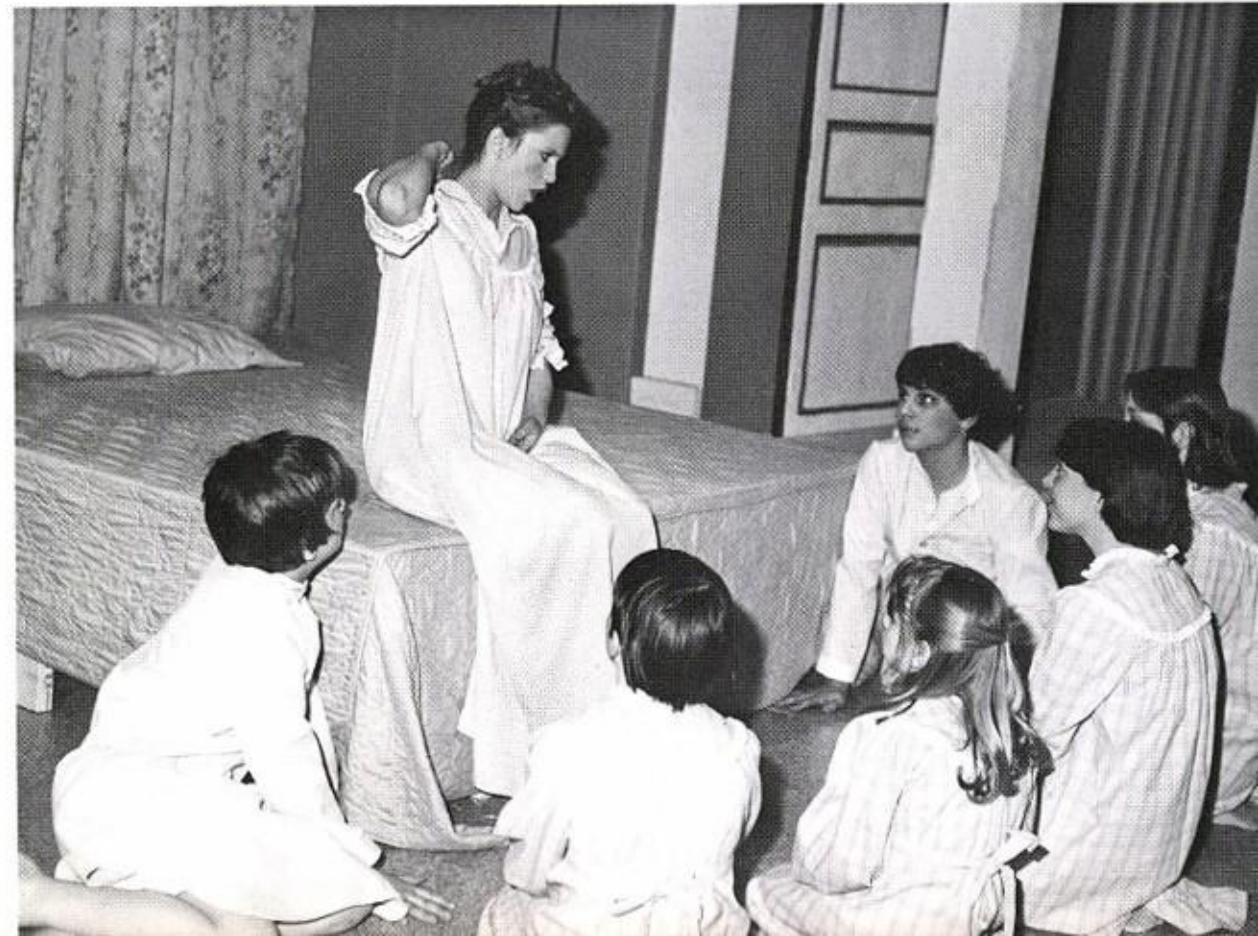

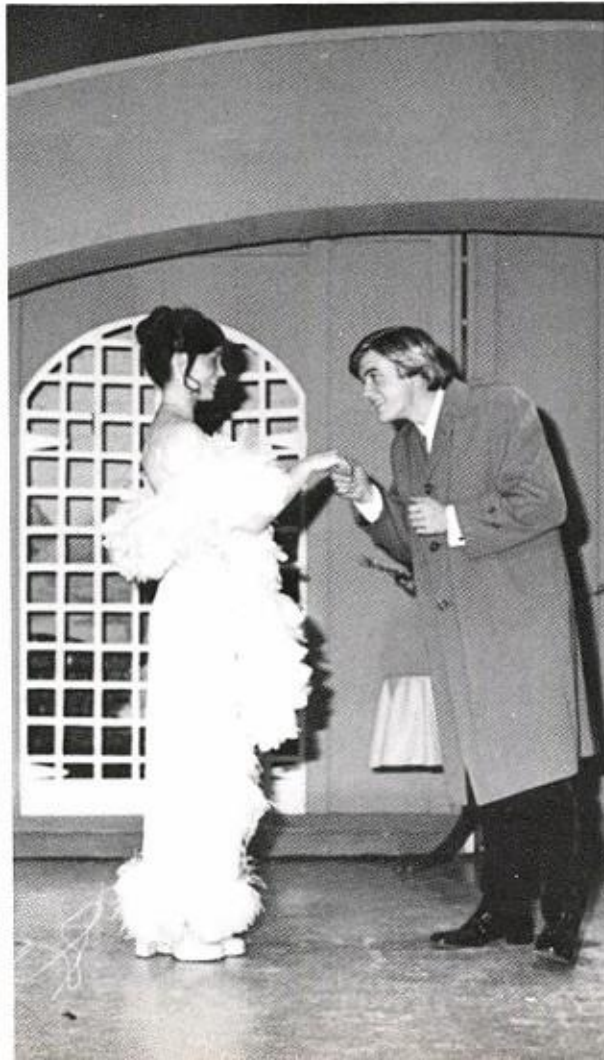

This year's musical will go down in my book as another success.

# A TIME FOR US

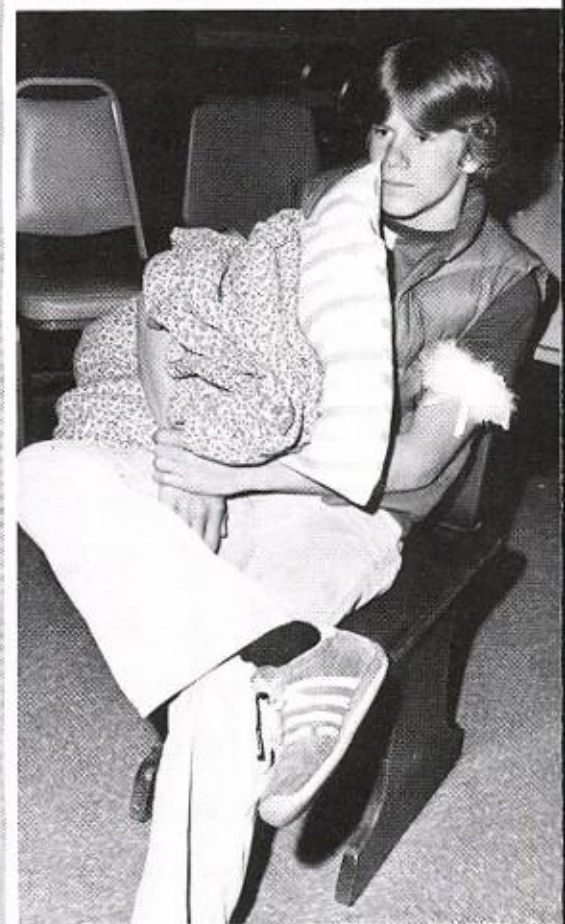

Boy, I sure got the jitters when prom time came around. When I got up the courage, I asked this cute little Bulldog and sure enough she accepted. I thought of backing out, but when May 6th turned out to be beautiful, I knew I would have a fantastic time.

Later that evening we boarded the buses at Grant all ready in our tuxes and formals. The trip to Interlaken wasn't long, but the anticipation made it seem that way.

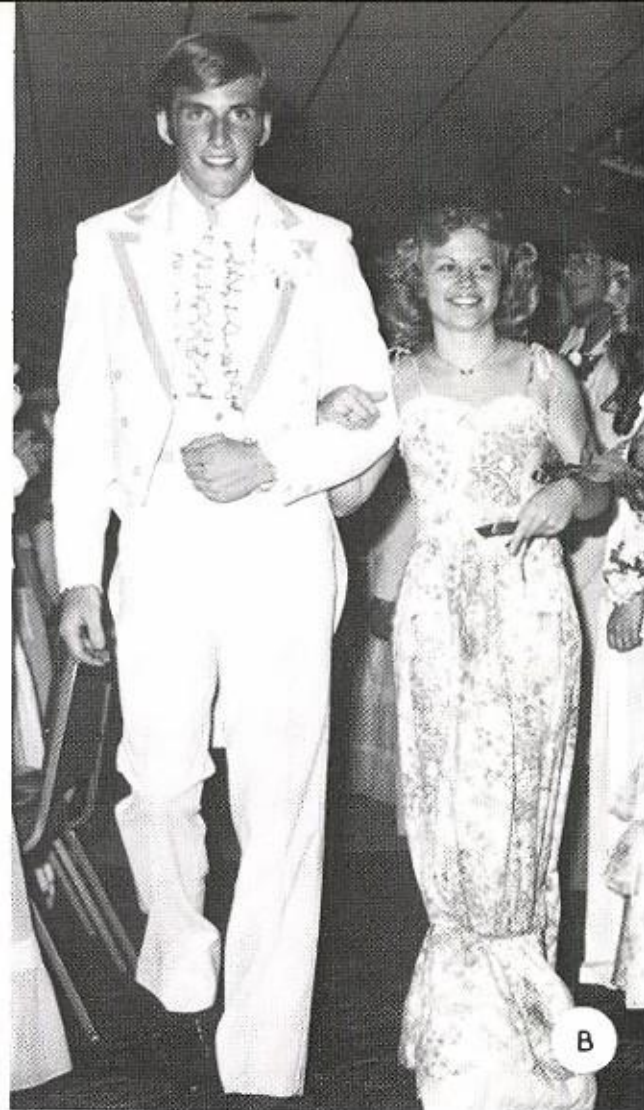

First came the formal, and then the crowning of Queen Laura Wedrall. Between these, the excitement was too much. The entertainment and dinner were also great.

By the time we changed and the rock dance started, I had really gotten tired. A little while later I woke up to find that the movie "Fun With Dick & Jane" was ending. Next, we followed the crowd to breakfast. Then we enjoyed free time to roam, play tennis, swim, or whatever.

By the time I got home I sure was pooped. The Junior Class, along with Mr. Hofeldt and Mr. Smith really put on a great prom. Now that it's over, I can remember the great time my date and I had and I know it was "A TIME FOR US."

# ACTIVITIES

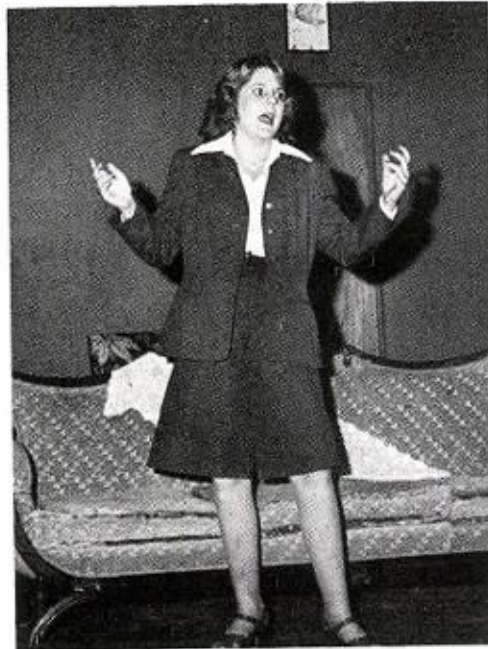

## FALL PLAY

Arsenic and Old Lace was really exciting. I got involved in odd jobs around the stage. But those odd jobs turned out to be hilarious work with an insane cast.

The crazy cast kept themselves busy with "woopy" cushions and teeter boards at very short evening practices. The cast would not have known what to do without the understudies.

When it came time for dress rehearsal, the cast really looked sharp with warpaint and mud on for their make-up. And the dead people did a fantastic job acting.

Vicki Jaranson plays her first role on the Grant stage as Lt. Rooney. Vicki appeared in Irene as a dancer last year, but this is the first time that she held a speaking part.

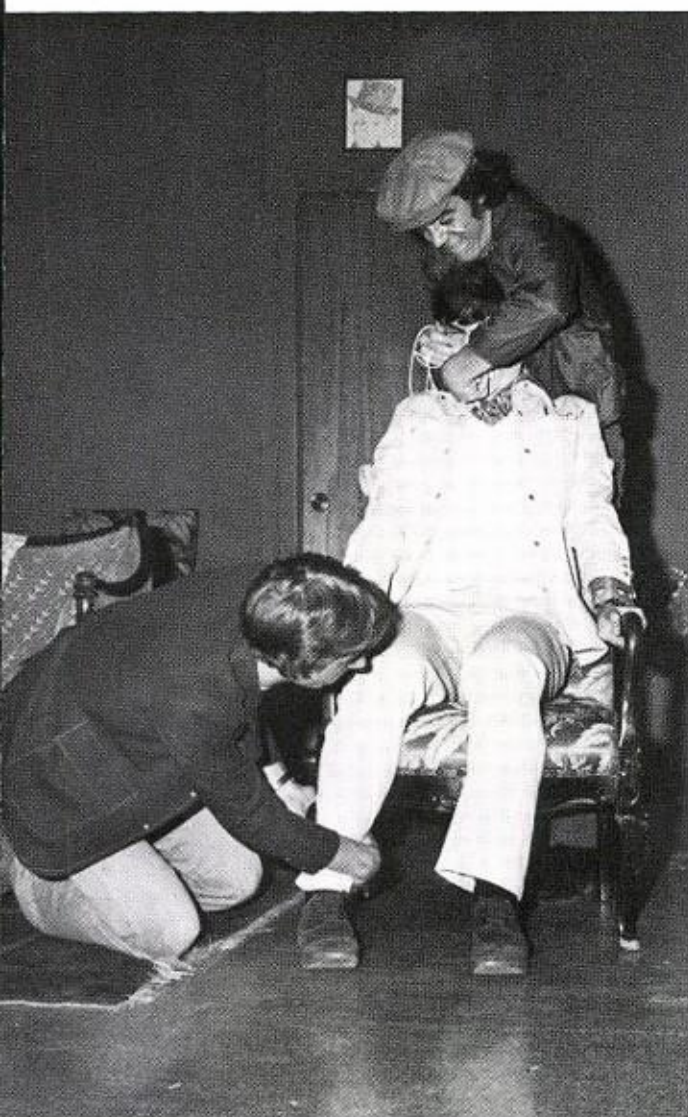

Tim Semmerling and Doug Solheim play two criminals who are trying to find a place to stash a dead body. They decide to put it in the Brewster home owned by Abbie (Chris Uphoff) and Martha (Vicki Hill) Brewster.

From a young, Irish girl to an old lady, Chris Uphoff (below) stars in her last Fall Play. This is also the last time she will ever play on the Grant stage. Scott Redding also acts in his last Fall Play as a clergyman.

## FALL PLAY

# STUDENT GOVERNMENT DAY

I kept myself busy on Student Government Day cleaning up a beach and some lots, painting flower pots, and fixing up the little memorial at the train station. We worked hard under the supervision of MAYOR Loffredo.

The highlight of the day was the trial. Mrs. Prendergast was arrested for possession of drugs, but the case was thrown out due to the lack of a search warrant. Mr. Anderson was found guilty of assault and resisting arrest. Meanwhile, sneaky Mr. Thompson got shot trying to escape from jail.

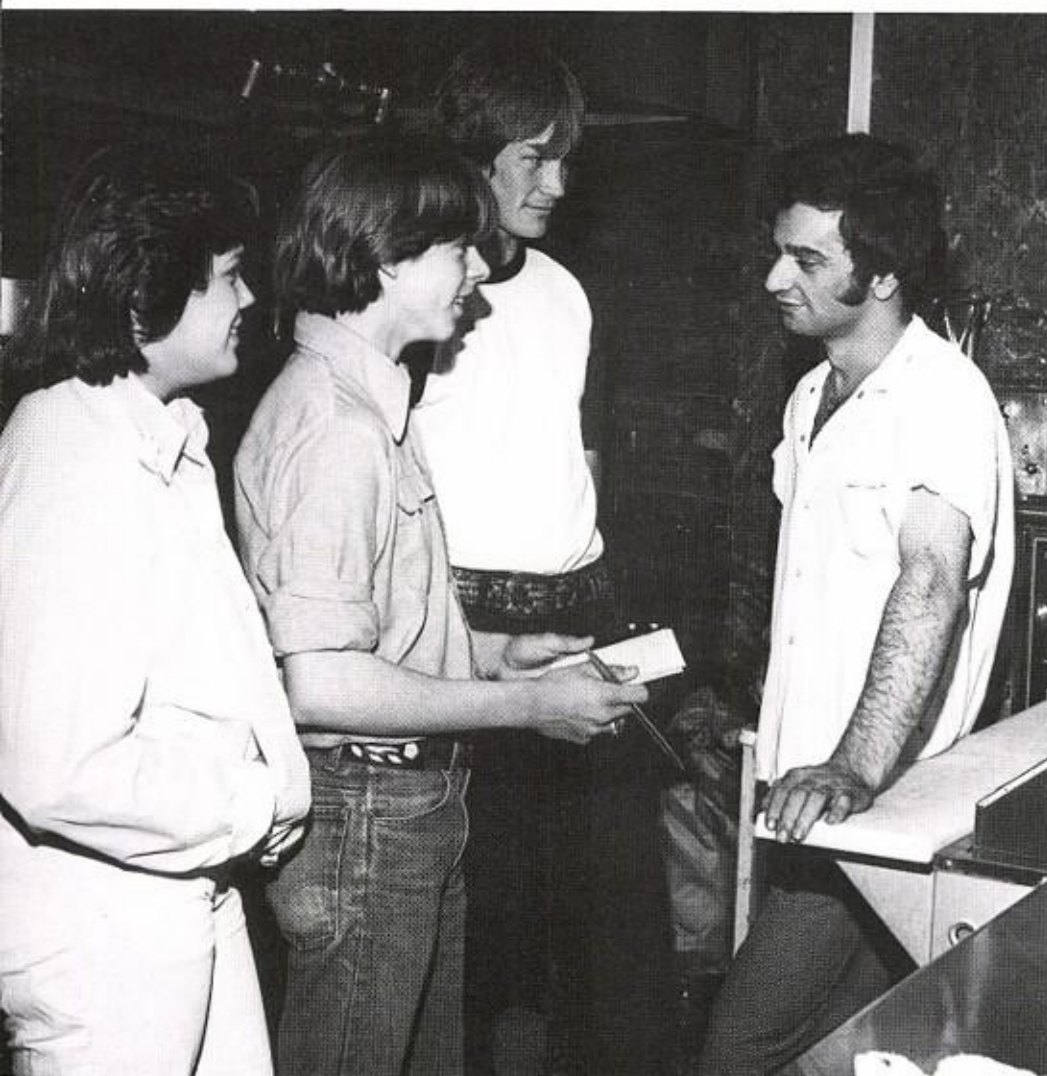

Under questioning from the defense attorney, Bill Seamon was smiling from ear to ear. I wonder why!

At the train station, the Beautification Committee works hard on the Veteran's Monument.

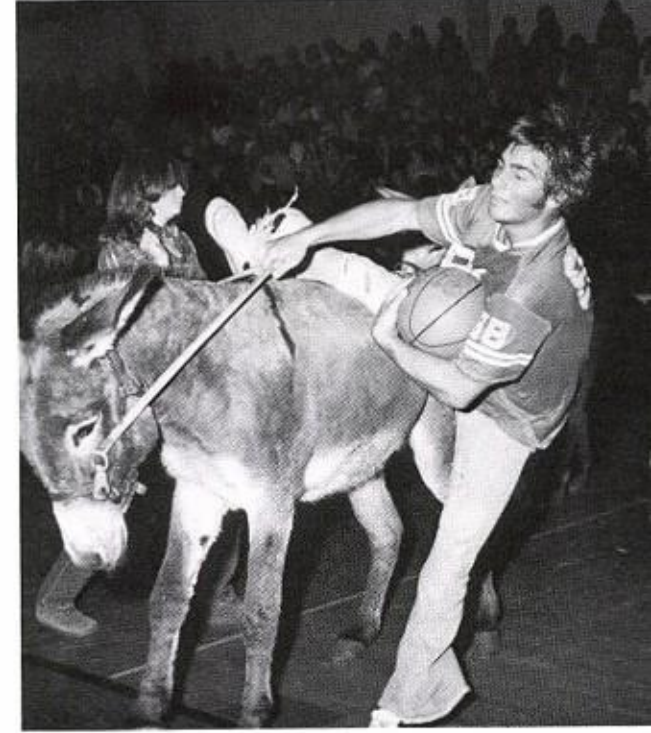

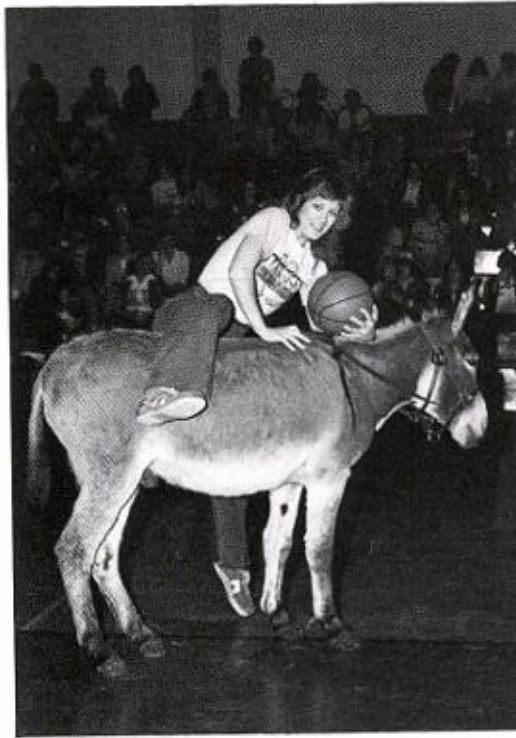

Above, Kim Lannom lends a hand cleaning up Fox Lake. Left, DeeDee Dubas, Andy Wehrstein, and Tim Stanton check safety and health standards of a local restaurant.

## STUDENT GOVERNMENT DAY

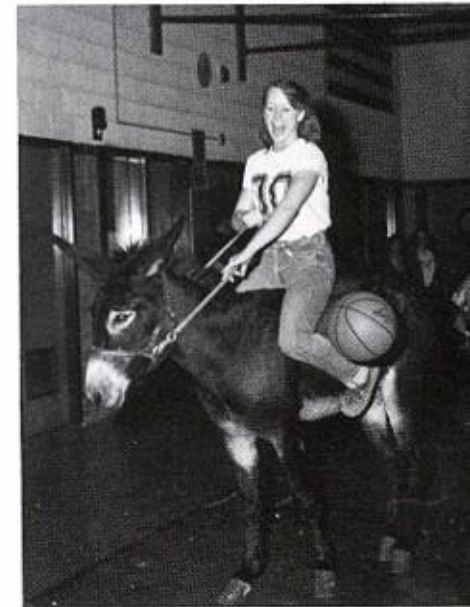

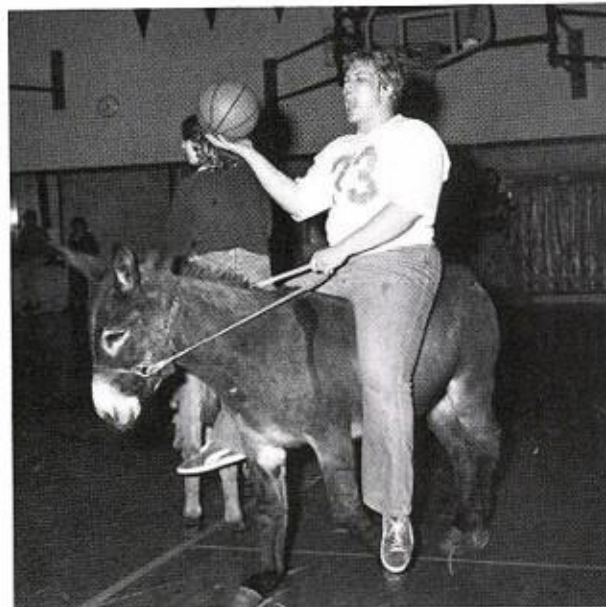

# DONKEY BASKETBALL

When I walked into the gym this spring I got quite a shock. The seniors and the teachers were playing basketball while riding on donkeys! It was quite funny when I think of how stubborn the donkeys were. I felt sorry for them, but at least dogs weren't used.

Cheri and the other players are enjoying themselves, although it looks pretty exhausting to get those creatures to move the right way.

Looks as if Joe has some problems to take care of.

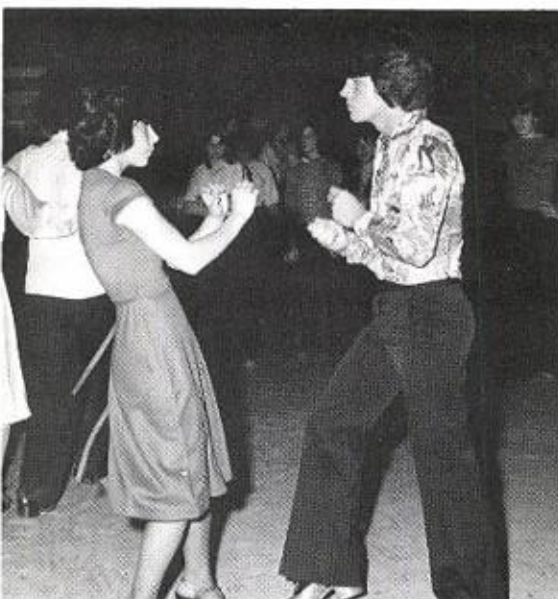

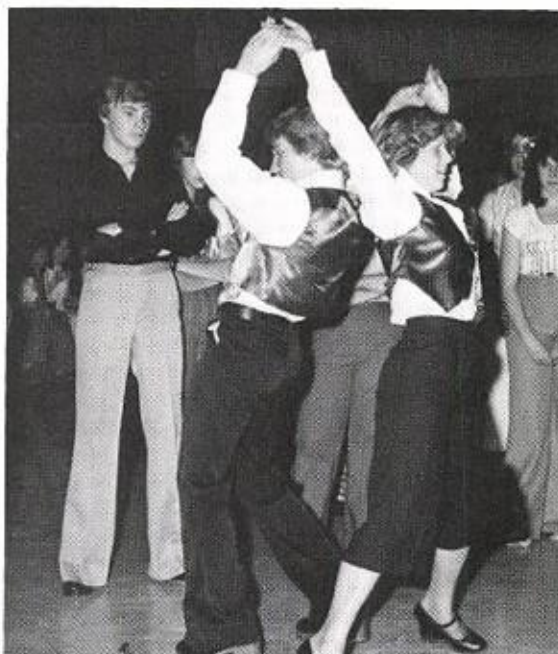

Second Place; Tim Kern and Pam Bertram

If I learned anything this year, I learned how to disco. This year, it was a real big thing at school. Many of my friends and I learned to disco in P.E., but nothing could compare to the crowd we had on the night of "Friday Night Fever". There were more people there than at any dance before and everyone danced, even the guys. I was so hot on my toes and was dancing so great that even John Travolta would have envied me. I sure hope that Grant will have more Disco dances in the future.

First Place: Nick Manusos and Kim Weir

## FRIDAY NIGHT FEVER

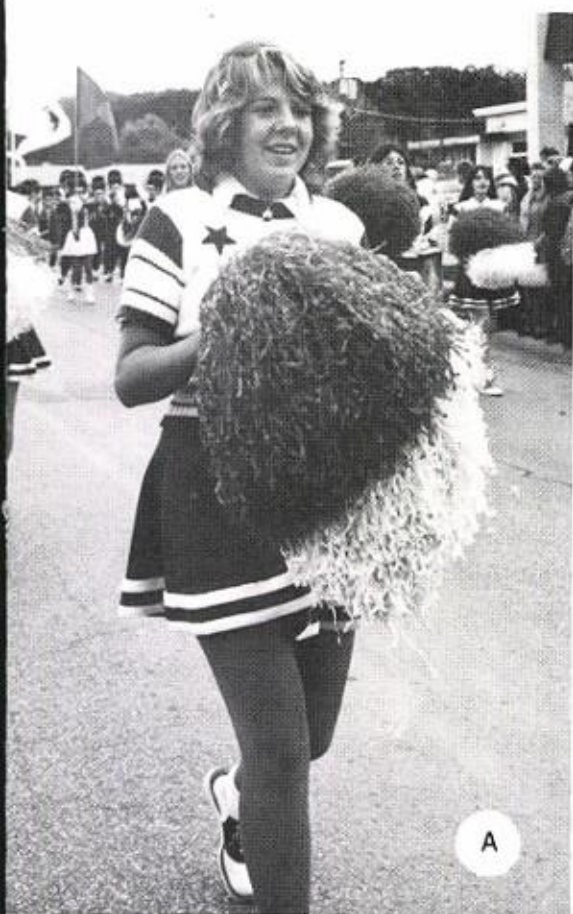

## POM PONS

Pom Pon girls. The name itself reminds me of short red skirts and high kickers. When I tried to be a part of them I got more than I could handle. They started out doing G.C.H.S. and for some reason I just couldn't get in the swing of it. My admiration grew through the year as they did their various routines. Their hat and cane skit really impressed me and I knew that Chris and Vicki worked hard to get the squad in order. I never appreciated how much color they added to the band, assemblies, and games until the end of the year when they turned in their uniforms. I don't know if anyone realizes how hard it is to think up those routines, or how often the girls practice. I do know one thing though, I SURE DO LIKE THOSE POM PON GIRLS!!!!

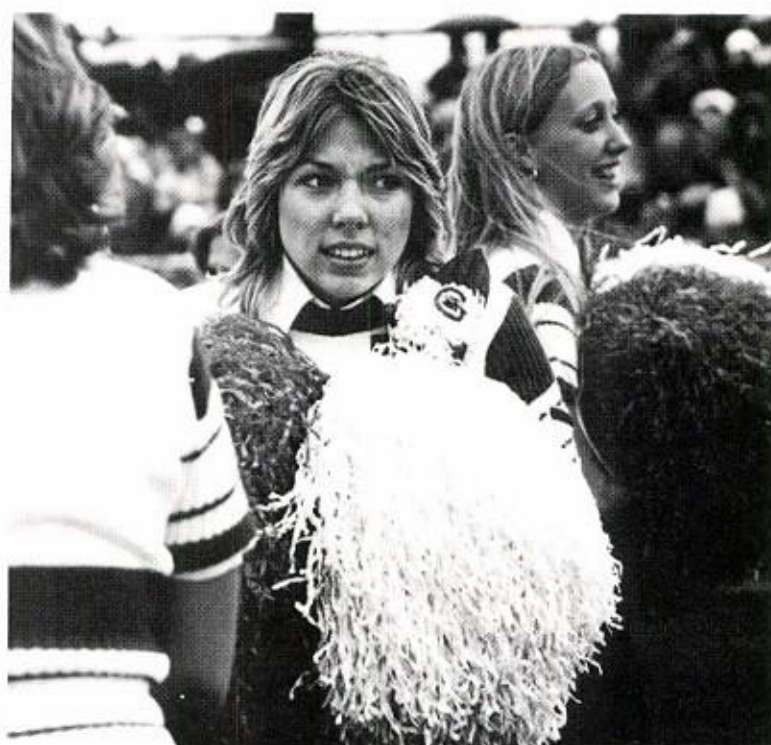

FRONT ROW: A. Rosol, C. Bay, P. Bertram, C. Uphoff (Captain), V. Jaranson, (Co-captain), K. Sopko, V. Hill, L. Prendergast. BACK ROW: R. Cetner, D. Dahlman, K. Bowen, L. Dinklenburg, Badegian, T. Dyson, S. Fesanco. NOT PICTURED: P. Settles.

# MUSIC

Although I didn't have the chance to join the Concert Band last year, this year I started in the big band. We had a lot of fun playing at football games, although I sometimes had a hard time playing and marching at the same time. It was easier at pep assemblies and concerts. We were all hoping that the band would go on a trip, but unfortunately that wish didn't come true.

BAND DIRECTOR, Mr. Ring.

# MUSIC

As I walked down the math hall one day, I heard a beautiful sound. I looked in Mr. Baron's room, then Mrs. Decker's, and then Mr. Smith's to find the source of this sound. As I left Mr. Smith's room, I headed for the two brown doors at the end of the hall. When I opened the first door, the sound began to grow in volume. I knew then that I was getting close. And to my surprise, as I opened the second door, there in a large room stood a mass of vocal musicians, the A Cappella Choir.

Mrs. VanSlochteren greeted me and invited me in to listen. I learned that this group of sore throats and throbbing adam's apples was constantly busy throughout the year. They gave their annual Pop, Christmas, Spring, and Graduation concerts. Also, they took part in the Choral Festival of the Northern District.

A Cappella-FRONT ROW: R. Cetner, K. Bowen, C. Viking, A. Rosol, J. Tatone. ROW TWO: C. Uphoff, L. Rosing, D. Dahlman, M. Casey, A. Beskow. ROW THREE: C. Guido, C. Henderson, J. Barth, S. Anderson, L. Loffredo, H. Adams, M. Rabine, C. Kelley, A. Maelum. ROW FOUR: K. Bowen, P. Murphy, M. Cain, P. DiDomenico, J. Krueger, T. Semmerling, E. Lahey, D. Solheim, C. Pearson, R. Shamblin, S. Bodmer, M. Frost. ROW FIVE: L. Runstrom, A. Hunt, M. Shelton, T. Alberts, H. Redding, M. Vandervest, J. Elliott, M. Makas, W. Schwartz, D. Draut, P. Vroman.

Choir Director: Mrs. VanSlochteren.

GIRLS' CHORUS: M. Newman, W. Henrich, M. Lahey, K. Freund, J. Mohr, T. Claesson, E. Burns, M. Joly, C. Viking.

That same day, I hung around the A Cappella room a little while longer. The next group to sing was a much smaller one, consisting of only girls. They, with their soprano voices, also sang a variety of classical songs. I was told later that these high pitched voices made up the Girls' Chorus.

SWING CHOIR - FRONT ROW: L. Rosing, R. Cetner. ROW 2: J. Krueger, C. Henderson, A. Rosol, K. Bowen, A. Hunt. ROW 3: D. Solheim, H. Adams, D. Draut, C. Kelley, E. Lahey. ROW 4: S. Redding, M. Vandervest.

To my surprise, I walked into the music department one day and saw two very active groups practicing. Eight girls and eight guys were singing and dancing to marvelous tunes. The outfits and smiles they wore made them look very impressive to me.

The other group was the Stage Band. They played a more modern style of song. Both groups gave the music department something to be proud of.

STAGE BAND - FRONT ROW: S. Robin, M. Shepherd, L. Rich, W. Schwartz. ROW 2: D. Solheim. ROW 3: M. Makas, B. Bender, D. Vanderkooy, R. Hill, E. Nelson. ROW 4: G. Ring, L. Prendergast, G. Salava. ROW 5: G. Callaby, S. Stark, K. Bowen.

FRONT ROW: K. MacDonald. ROW 2: E. Pittelkow, J. Newman, J. Wanthal, J. Wanthal, K. Freund, T. Marturano.

I'm a little ashamed that I did not know what the Colorguard at Grant was. I started watching these girls and found they have a hard time holding the flags in high winds and marching on time when it is wet outside. Still, it was a dedicated squad and I enjoyed watching them perform (despite hearing the band members scream at them to get moving and guide right).

# COLLETS

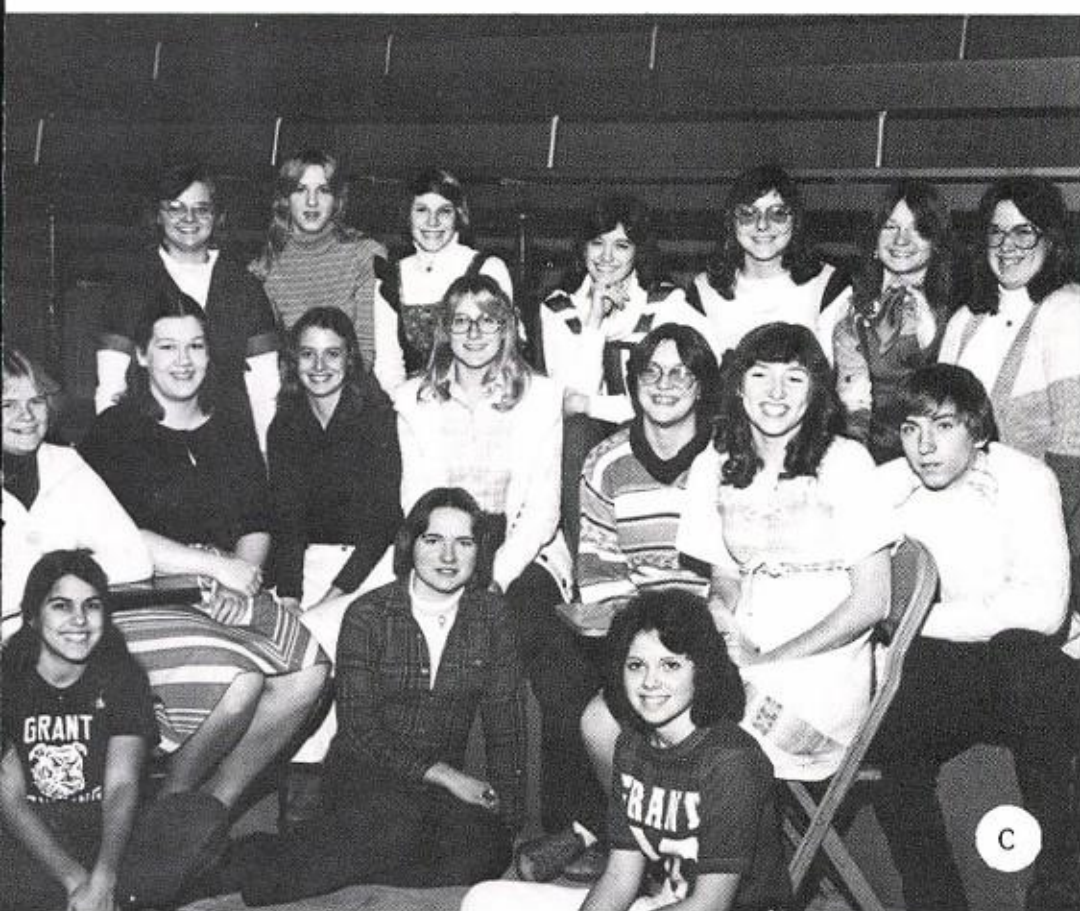

Well, I really wanted to see what was happening with the Thespi-an troop at Grant but they never had a meeting. When I asked some passing people about it, they said that they were planning on changing the name of Thespians to something else.  
**SUCH CONFUSION !!!!**

 Henrich, S. Barrett, R. VonBehren, C. Floore, J. Boese.

When I joined the International Club, I along with the other members, found that there was not a student among us who wished to go abroad. A few of us decided to dress in costumes from Japan, Norway, and France for Homecoming. We also had fun experiencing the delight of foreign cuisine. Just imagine, I got to eat seaweed cookies!

# SPORTS

I wasn't in Tennis Club for the tennis, I was in it for the Oak-wood Racket Club. We would go early Saturday mornings, play tennis, then get to take a sauna or go in a whirlpool. Luxury for the body! A couple of us went to the Virginia Slims Tennis Tournament. The big money raiser we had was selling football T-shirts.

A. TENNIS CLUB- FRONT ROW: D. Meyer, J. Tyler, J. Retek, M. Loffredo, M. Makas. ROW 2: J. Roscop, M. Matthei, T. Meisner, C. Viking, K. Dubas, D. Whymark. ROW 3: G. Grocke, M. Newman, R. Bartoszek, A. Schemmel, P. Shaw. ROW 3: L. Schindler, K. Helfrich, A. Mitchell, J. Carver.

This year I was on the Bark staff. I was told there were many changes. The first semester was all on a voluntary basis. Then, when second semester came, the Journalism II class took over. In the Lake County area the school papers joined together and formed L.C.S.P.A. (Lake County Student Press Assoc.) The purpose of L.C.S.P.A. is to improve all the papers in the area.

# CHILDS

I joined G.A.A. because I wanted some extra exercise, and I soon discovered that we had a lot of fun there.

Besides staying in the gym once a week, we went rollerskating, iceskating, swimming, and bowling. We also went on a picnic, although the weather wasn't too good.

Along with the good memories, some of us will also remember getting egged, getting our feet flushed, and earning pennies.

Ring, M. Stanley, T. Stanton.

It was a surprise for me to be elected to Student Council. Our regular 4c meetings were usually not too thrilling, but sometimes we had special activities to take care of.

We arranged the Homecoming Dance and the Christmas Formal. For Valentine's Day we helped the students show their friendship by selling flowers. We also raised money for Muscular Dystrophy. All in all, it was a busy year.

# GRANT

When I joined G-Club, I knew that I was in for a lot of selling. But when I heard that the money earned is donated to the athletic department for furnishing any needed equipment, I felt it went for a good cause. Besides working at concessions throughout the football, basketball, and wrestling seasons, we have also sold many Grant Bulldog hats, scarves, and mittens. Near the end of the school year, the G-Club sponsored a hilarious crowd-gathering donkey basketball game. I was going to try to pass as a donkey but they wouldn't let me in. They said I was too short. I had fun watching it anyway.

A. G-CLUB OFFICERS - LEFT TO RIGHT: N. Manusos, L. Najdowski, T. Scott, J. Parsetich, B. G-CLUB - FRONT ROW: L. Najdowski, L. Wedrall, S. Barton, N. Lastofka. ROW 2: D. Muehlfelder, T. Scott, B. Kibitlewski, D. Kratochvil, P. Cappitelli. ROW 3: Mr. Kazlauskis, Mr. Baxter, G. Bruggen, T. Sieckowski, C. Biarnesen, T. Harper, K. Gardner, J. Parsetich, N. Manusos. C. COMMERCIAL CLUB OFFICERS - LEFT TO RIGHT: K. Makas, M. O'Keefe, K. Young, E. VonAsten. D. PEP CLUB - FRONT ROW: D. Chandler, D. Wesby, P. Basata, L. Harris, ROW 2: B. Neil, S. Stark, L. Sneldal, D. Wow! The Ice Capades and Ice Follies were so good. The ice skaters were so graceful. I wish I could ice skate like them. But did you ever picture a bulldog on ice skates? I have never ice skated before but when I went with the Commercial Club to see the ice skaters, they made it look so easy that I just have to try. Boy, am I glad I joined the Commercial Club. Thanks to them I'm going to try to ice skate. Wish me luck!

Once I heard that Grant had a pep club, I knew that that was a great way to show my spirit. After I joined, I found myself making posters before games to hang on the walls. When it comes to drawing bulldogs, I'm one of the best. I went to all of the home games (wearing my Pep Club t-shirt) to cheer for our Bulldogs. They were worth cheering for. It sure is fun being in Pep Club.

# GRADUATION

I was real nervous when I thought of all those people waiting to see my classmates and I graduate from Grant. A whole year has passed for me, but four years have passed for all the seniors. Even though we were all nervous, graduation turned out to be funny with all the pranks that were pulled. Some of our caps didn't fit right and we had to wear pins. I still couldn't get mine to go over my ears, I had to resort to using my paws. I don't know if I will see any of the seniors again but I hope they know that I wish them the best and that I will never forget the year I spent with them.

I was really excited about the Varsity football team this year. They showed a lot of spirit, power, and promise. I knew we would come out on top. Halfway through the season, the newspapers changed their tune when they saw us capturing victories, instead of being at the bottom of the pile. We slipslided our way through rain, mud, and cold to a championship tie with Warren and Stevenson. I'm really proud of our Varsity team. They deserve a great deal of credit and congratulations for their outstanding efforts.

The Sophomore team showed amazing talent as they were faced with injuries to several starters. With great effort they ended the season with the second place title. The Freshmen showed support and unity ending the season with the third place title. I think the outlook for the future Varsity team is a promising one.

When I peeked in on the team, I overheard them talking about their hopes of winning the Conference championship because of the four returning starters. Well, as the season went on, no one seemed to come in with a good round at the same time as someone else. Varsity ended its season with a 3 and 12 record. Curt Biarnesen was voted most valuable player.

This year I saw Varsity run their way to a 3 and 8 record and Frosh-Soph a 6 and 5 record. Because of the lack of Varsity runners some of the Frosh-Soph runners ran at the Varsity level for a few meets.

Seeing that basketball is one of the major winter activities at Grant, I promptly decided to attend a few games. I saw a lot of both team and school spirit here; the students loved to come and cheer my fellow Bulldogs on. We lost a fair number of games, but the team never gave up. The team finished the season with a 7-16 overall record and 7-9 in Conference for fourth place.

The Sophomores had a great season, and finished with an undefeated Conference record of 16-0 and 21-2 overall. Four of the players were moved up to the Varsity team, but the Sophomore team was so loaded with talent that they were hardly missed. A lot of credit has to be given to their coach, Mr. Kazlauskis.

The Freshmen proved themselves capable of carrying on the winning Bulldog tradition too. A few of their games were pretty close, but with the help of Mr. Einhorn they pulled through. They finished one game out of first place with a 12-4 Conference record and they were 15-7 overall.

The Bulldog wrestling team was really on the move pinning and beating their opponents this year. I couldn't take all the workouts and practicing that the rest of these boys did. After the first day my hind legs and paws were aching so much I just could not go on. Although I quit the team, I went to many matches and saw that they really didn't need me. They won by themselves. The most exciting meet of the year, in my opinion, was the Antioch meet held at Grant. Talk about loud barking! Everyone was out on the floor congratulating the whole team after their victory over the Sequoits 26-20. I never saw so many howling, happy faces in all my life.

If you think that I am not as coordinated as some of the guys on the track team, then you're right. With two extra legs I can sure run fast but I just can't work up enough height for hurdles. Once I was told that I descended from kangaroos but that didn't help me in the long jump. It is a good thing that the guys in track had more skill than I did. They ended up with an excellent record of 12 - 1.

I wanted to be on the baseball team, but it wouldn't work since I couldn't hold a bat or wear a mitt or anything. The players never appreciated the soggy baseballs that I chased, and Coach Kazlauskys never used any of my coaching tips. It's just as well though, the team came out on top anyway!

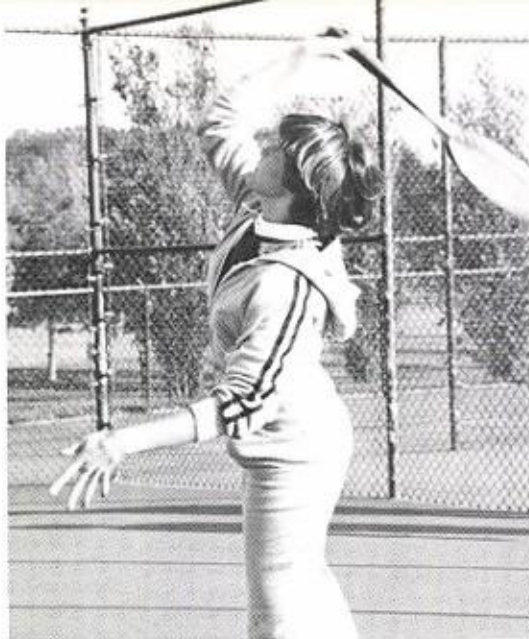

SOPHOMORE BASEBALL - FRONT ROW: M. Crock, R. Mieritz, D. Sanko, R. Rosendahl, C. Banks, B. Brown, J. Trosky, D. Hartig. ROW 2: J. Gerretson, T. Schroeder, B. Marucha, R. Holtdorf, D. McDonald, J. Foscze, G. Hanan, K. Dombrowski, Coach Raddatz.

I'd almost be afraid to get on the courts after seeing our girls' team play. They had their share of outstanding serves and smashes ending up with a 3 and 9 record. I also found out that not only do they play tennis well, but they are good poets, bakers, and turkey hunters too!

The boys' tennis team really tried hard this year. If I would have joined the team they might have done better, but I was too busy watching the girls. The guys finished fourth in conference.

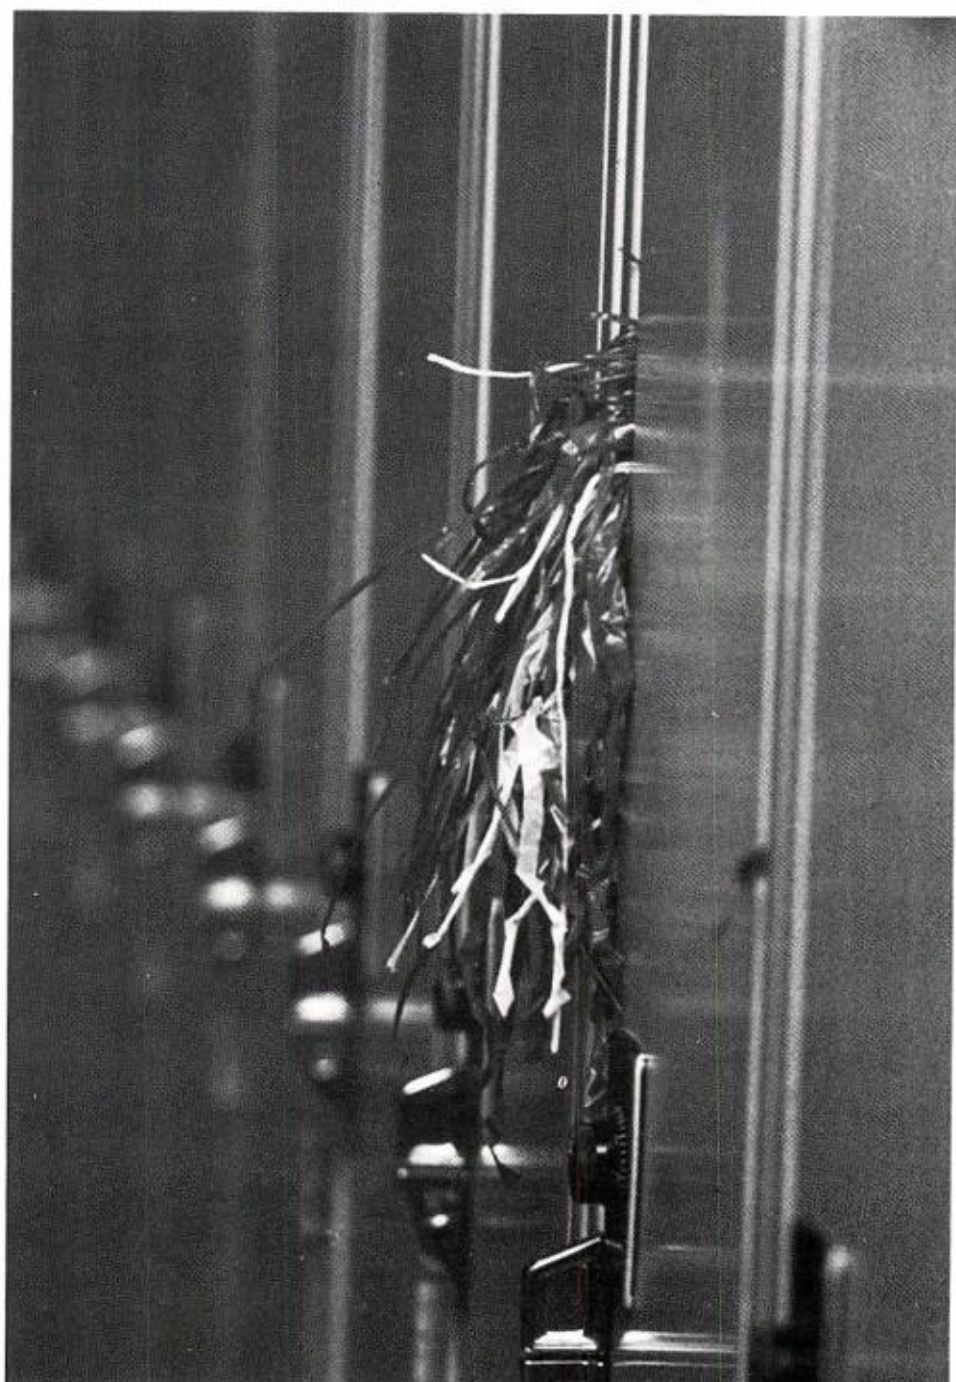

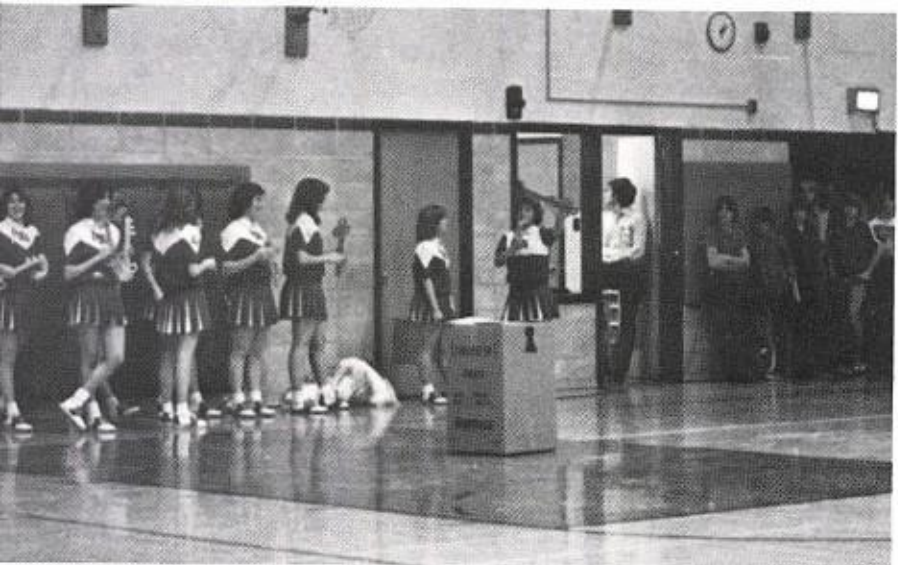

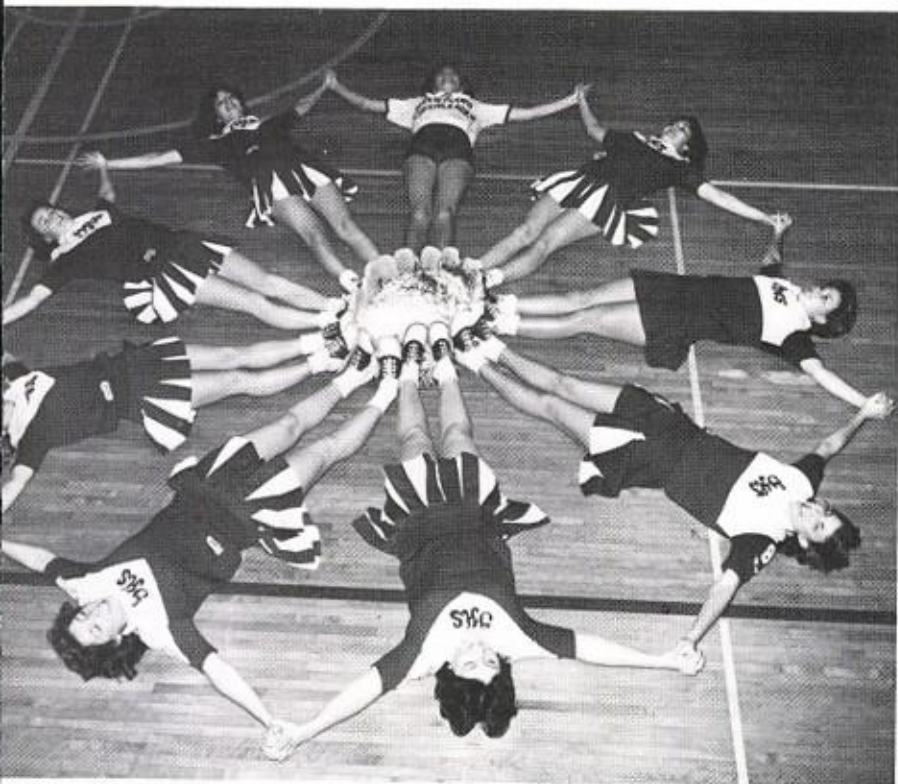

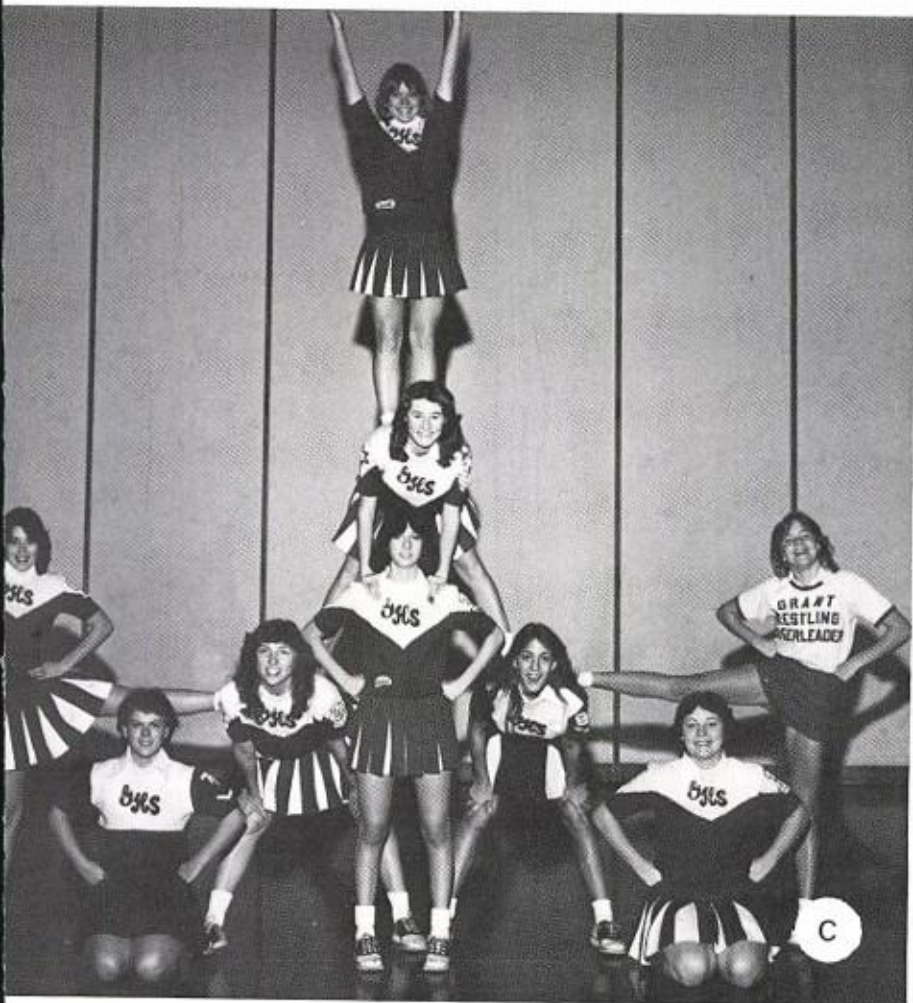

This year I saw a lot more cheerleaders than ever before. I don't know just how many there were, but I counted a total of six different uniforms throughout the year. I have to admit, they really looked great under the supervision of Mrs. Tobaisz and Mrs. Corey.

competing for a place in conference. This is the first year the girls have been in competition and it was nice to see so many girls get interested in this sport. All the girls did an outstanding job, and next year I hope that many more girls decide to go out for it. If nothing else they might even learn to be graceful. And if you ask any of the girls from this year I'm sure they will tell you that all in all it was a great year.

I have always enjoyed the beauty of gymnastics so I was quite pleased to hear that our graceful gymnasts would be

I was pretty proud of our volleyball teams this year. The varsity had a 14-9 overall record and took second place in conference. They were district champs but they lost out in the sectionals. Brenda Acuff and Lorraine Badegian were named all conference for their excellent playing. The Frosh-Soph team took first in their conference and will probably be even better next year.

Miss Richardson and Mr. Garlanger gave me the job of bat boy since I didn't meet all the qualifications of the girls softball team. I had a fun time rooting for all those girls. The Varsity did a great job this season taking the 2nd place title with a conference record of 8-3, while the Frosh-Soph showed their talents taking the 2nd place title with a conference record of 8-3. I think I'll stick around next year so I can try out my excellent coaching ability on them.

# Bowling

As I visited the girls' Bowling team I found they once again held their first place standing in conference and districts. This year was also another striking season. This allowed them to go down state and represent Grant. We sent our five best girls, who returned 10th in state. Grant's overall record was 9-1-1.

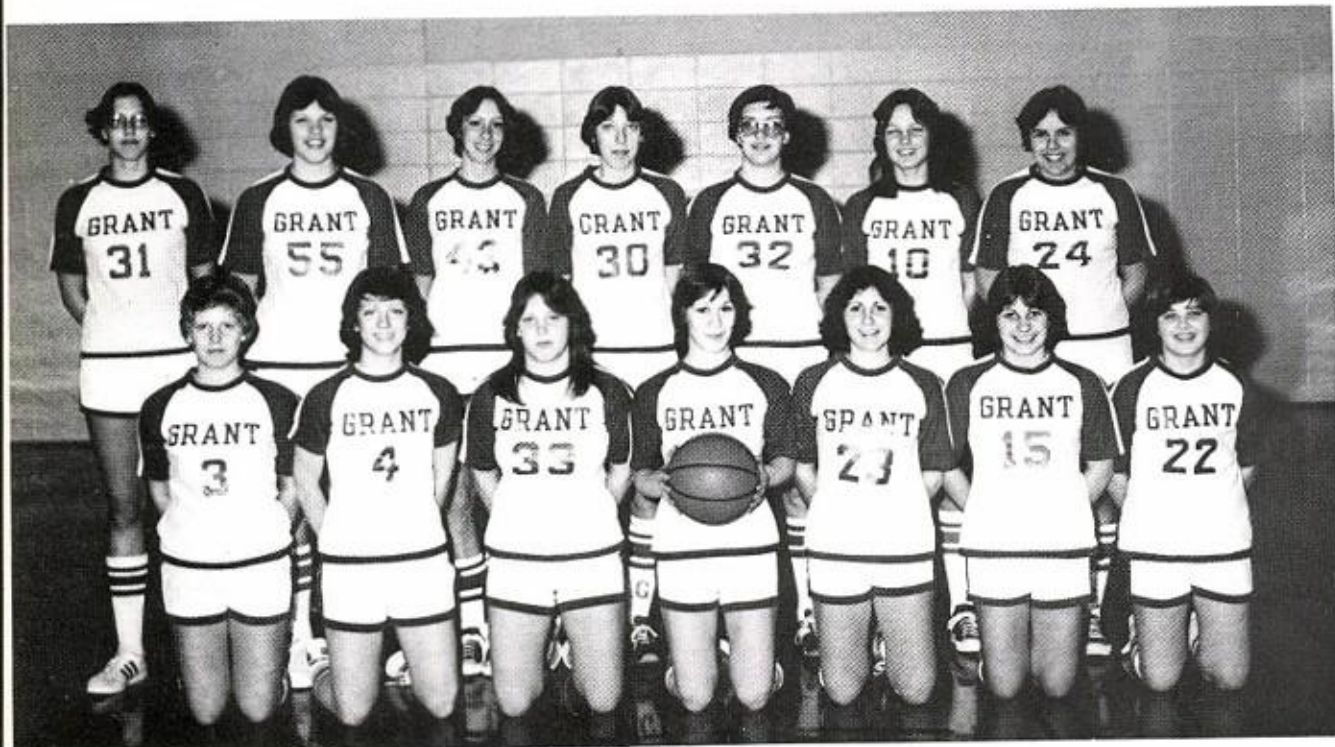

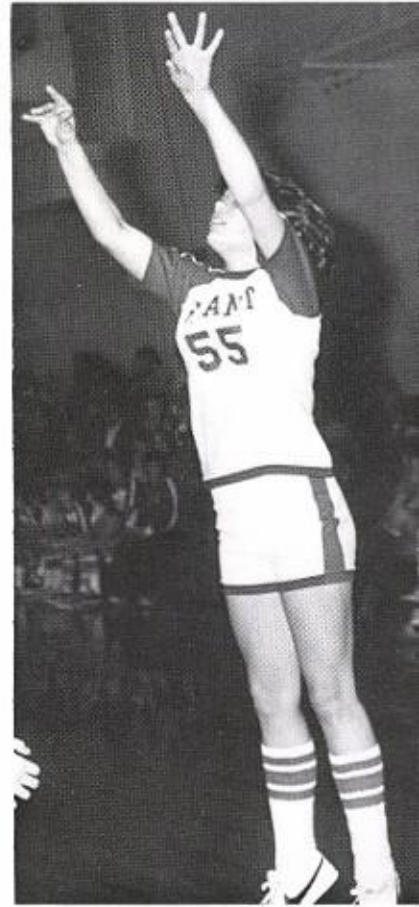

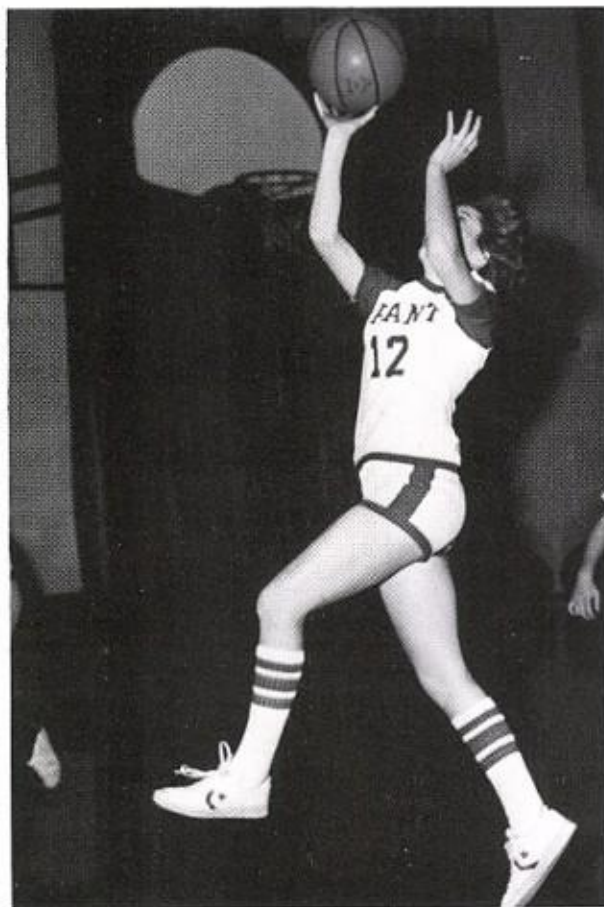

VARSITY BASKETBALL-LEFT TO RIGHT: B. Acuff, A. Schemmel, L. Badegian, C. Cuba, K. Wanhala, Coach Garlanger, G. Gaylor, K. Urban, D. Vanderkooy, M. Matthei, P. Hill.

I went to a few of the girls' basketball games, and I have to admit, they were really great. Both the Varsity and the Frosh-Soph teams showed a lot of spirit in playing, even though they came out with a disappointing end.

This year's girls' Track team got off to a running start and then won the conference meet and placed first in conference. As I watched the girls I knew my paws could never keep up with their pace and willpower. All conference awards went to: K. Urban (220 yd. dash, high jump); L. Nagler (440 yd. dash); S. Fesanco, D. FACES

STAR TREK

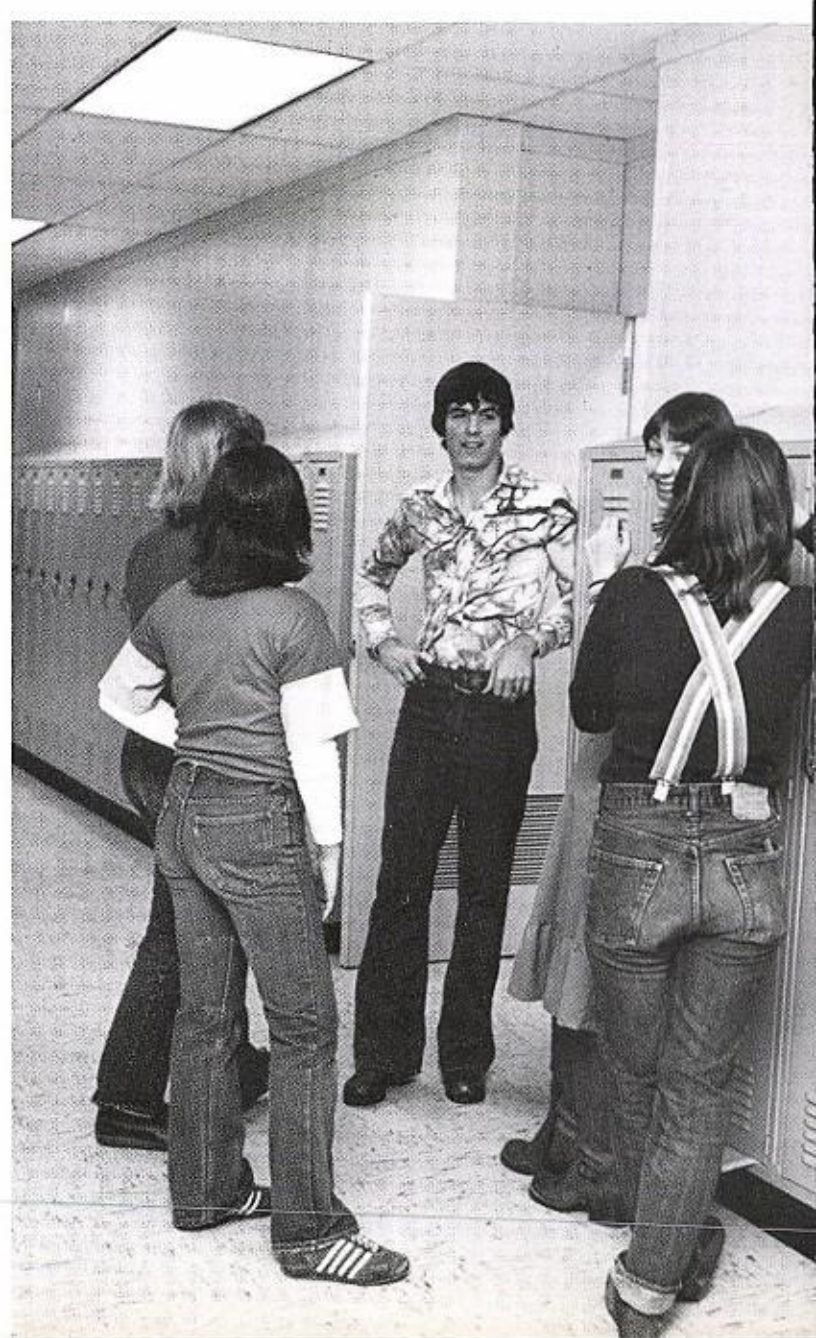

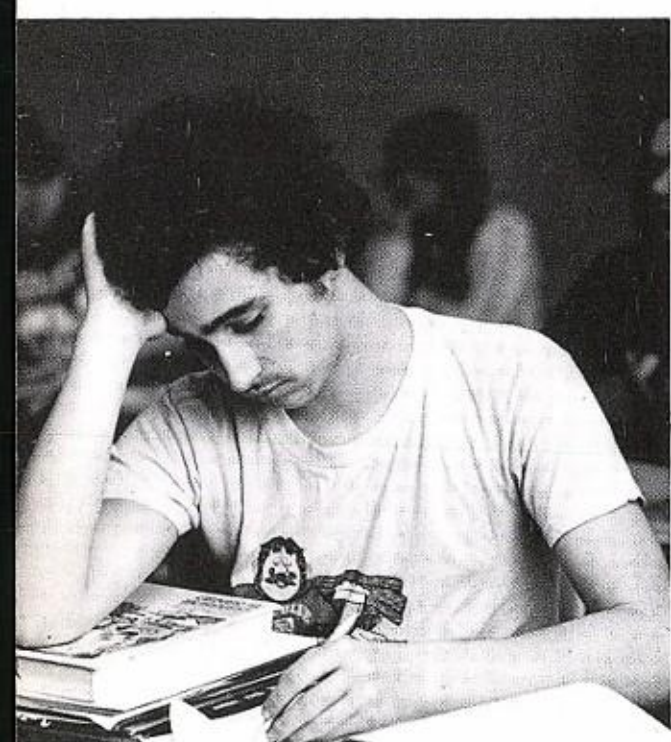

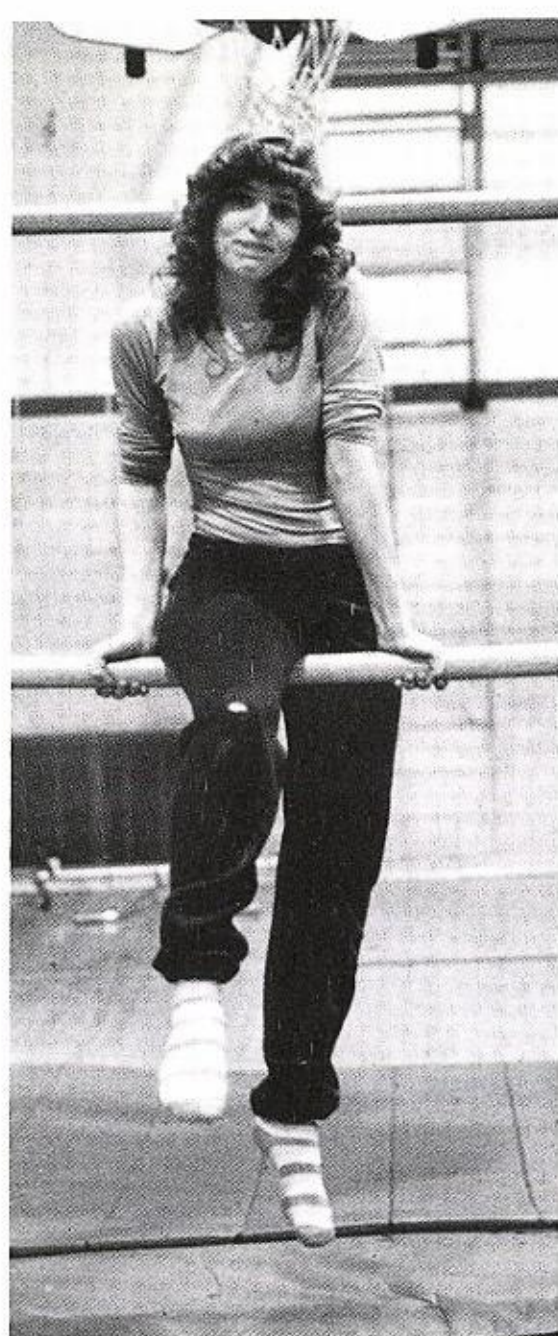

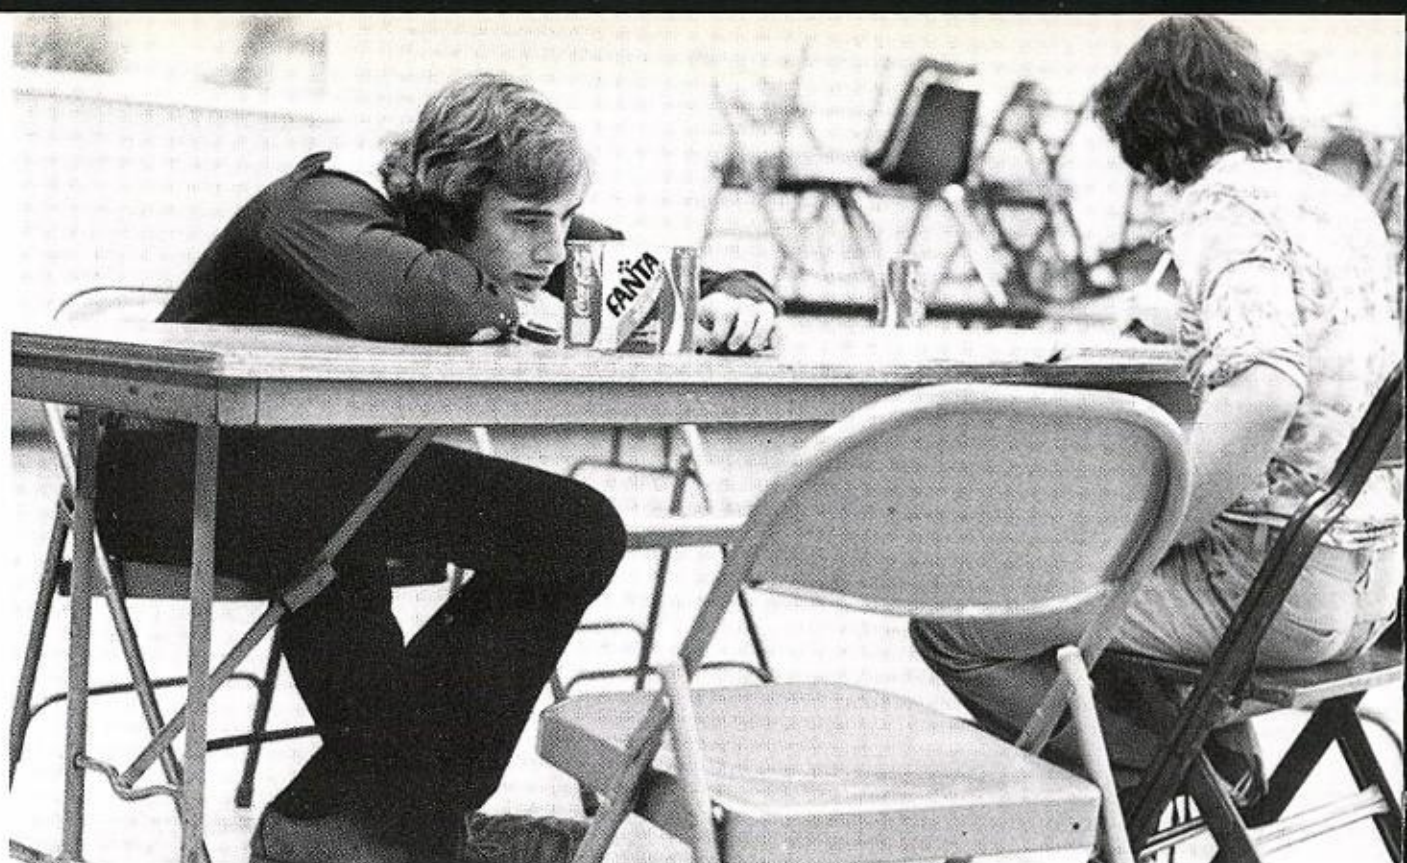

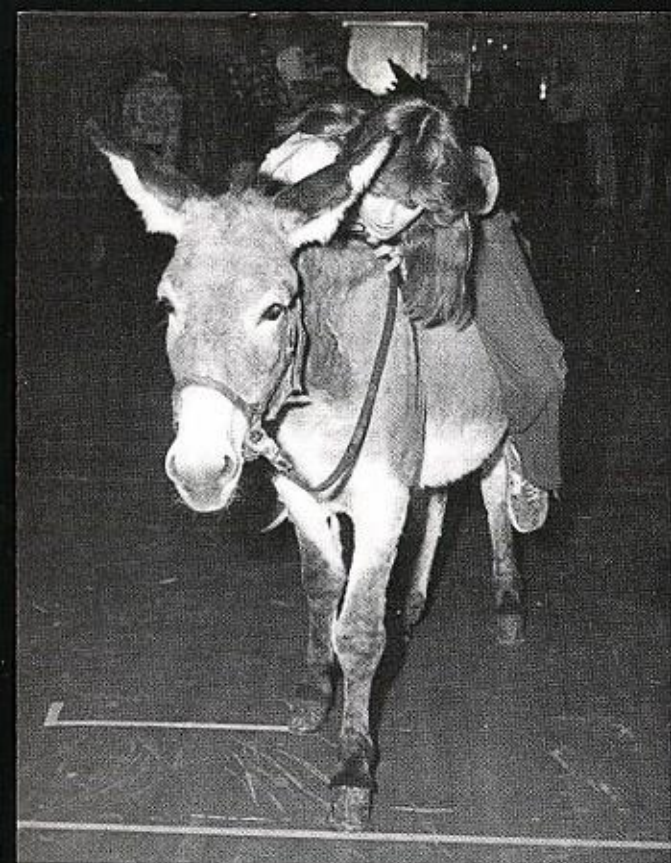

TO SE ENCO

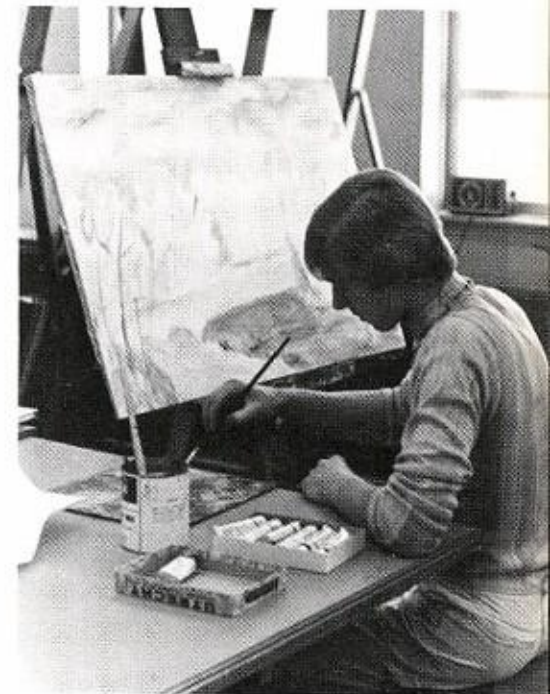

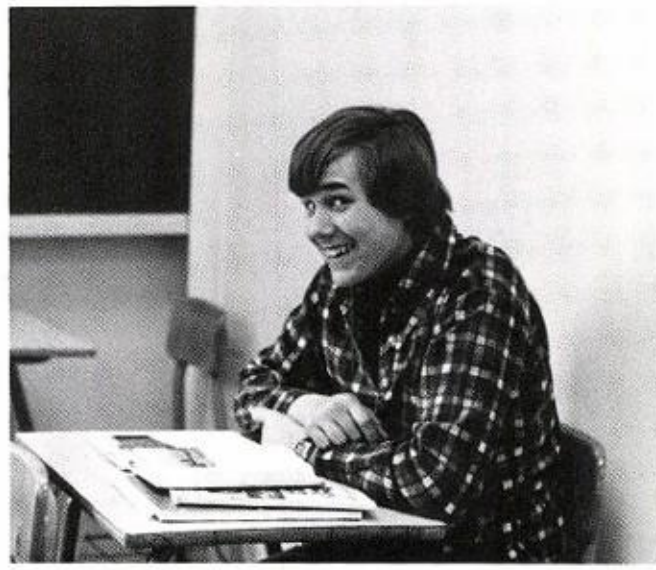

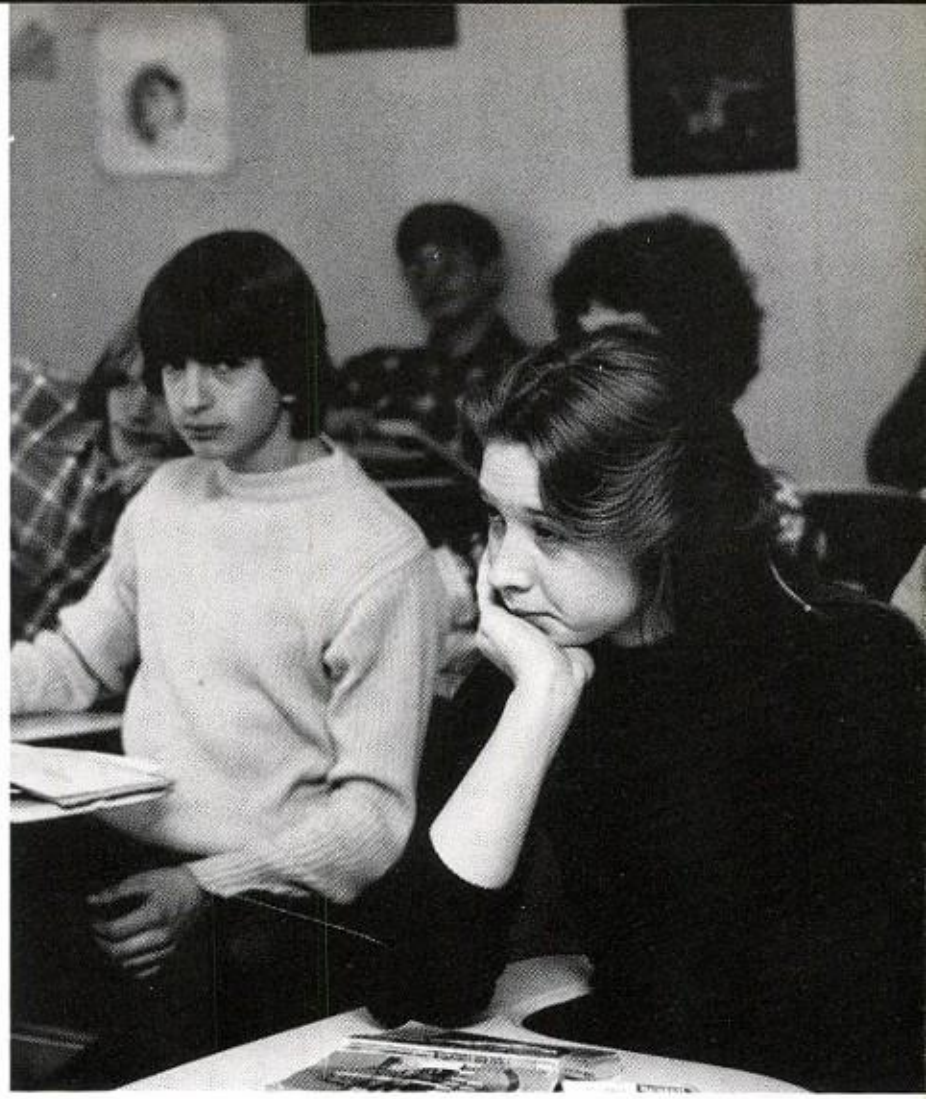

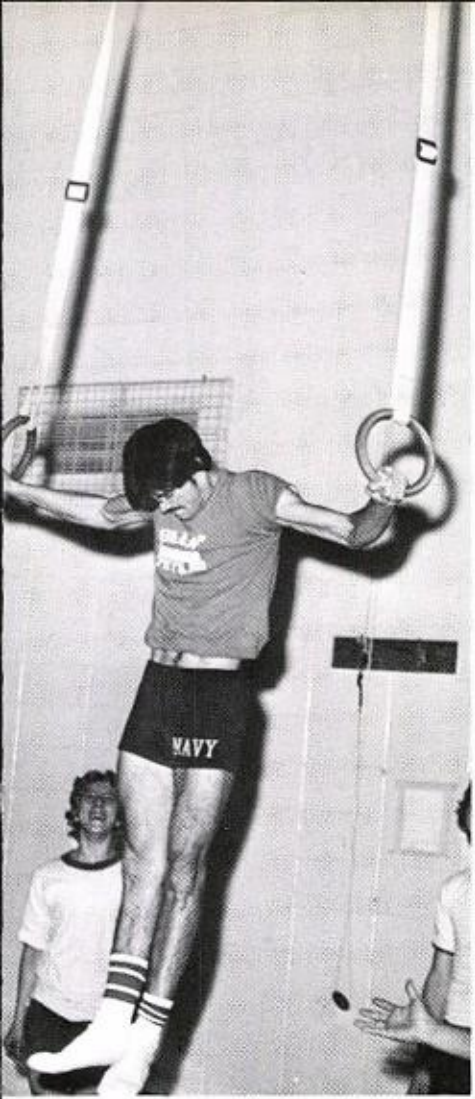

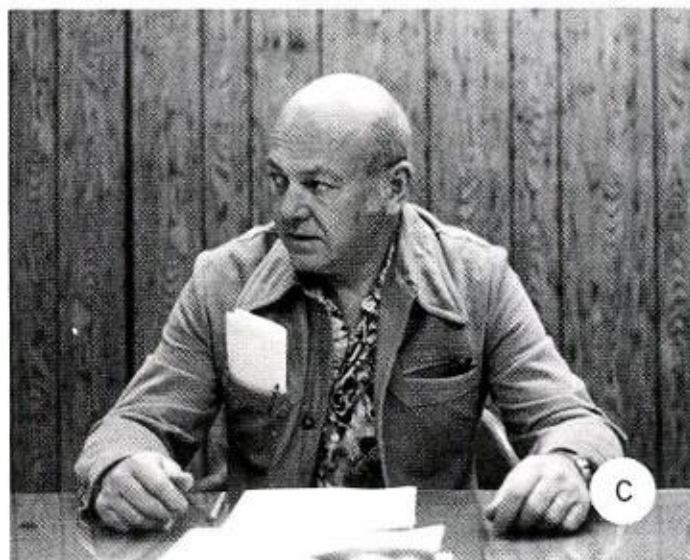

I never knew how much work the BOARD OF EDUCATION did each month. They deal with money, student discipline, and public opinion. One major accomplishment this year was raising Grant's vocational school attendance from 75 to 100 students.

The ADMINISTRATION is busy all year keeping the students in line and making it possible for them to enjoy a lot of after school activities. I felt sorry for the students who were in the dean's office all day and was glad I behaved myself for once.

I never thought I'd need help from the counselors until I decided to further my education by going to college. Since the lines in the GUIDANCE DEPARTMENT are often all the way down the hall, those counselors must really keep busy.

A. SEATED: Mr. Kohler. STANDING: Mr. Schad, Director of Guidance; Mrs. Corey.

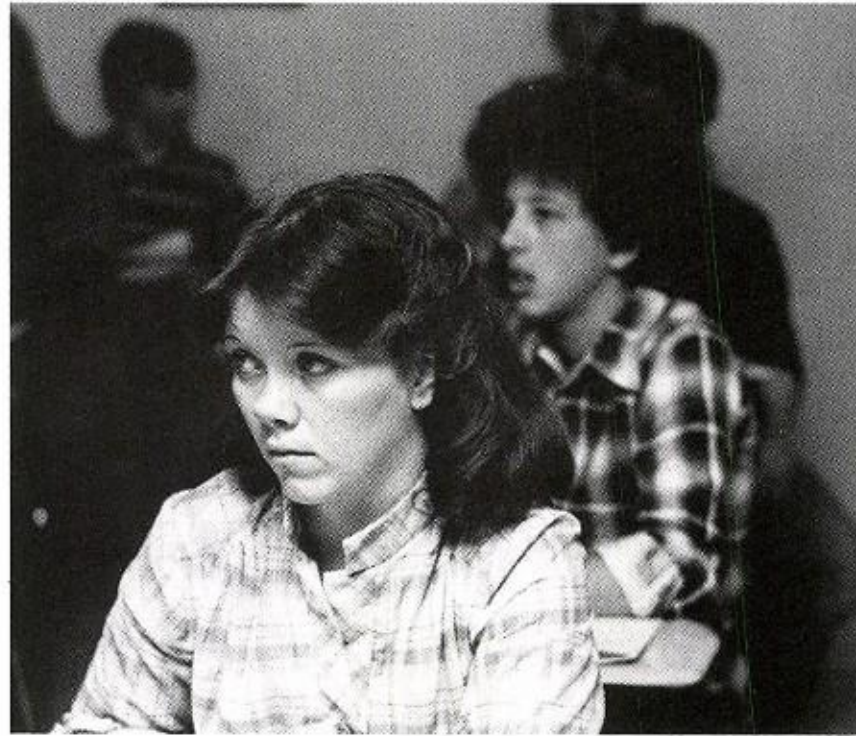

I had a hard time trying to get things done in some of my ENGLISH classes. I never knew there were so many grammar rules! I enjoyed the poetry and composition so much that I volunteered to write this yearbook! I don't want to brag, but I think I'm doing a pretty good job, huh?!

The SPECIAL SERVICES are a great help to both teachers and students. The silence in the library wasn't quite my style, but I liked the opportunity to fall asleep when the teachers showed movies in my classes. I tried to learn how to use the film projectors, but I usually ended up with the film everywhere except where it was supposed to be.

A. Mrs. Stamper, Library and A.V. aide. B. Mrs. Sagert, Librarian; Mr. Renaker, Media Center Director.

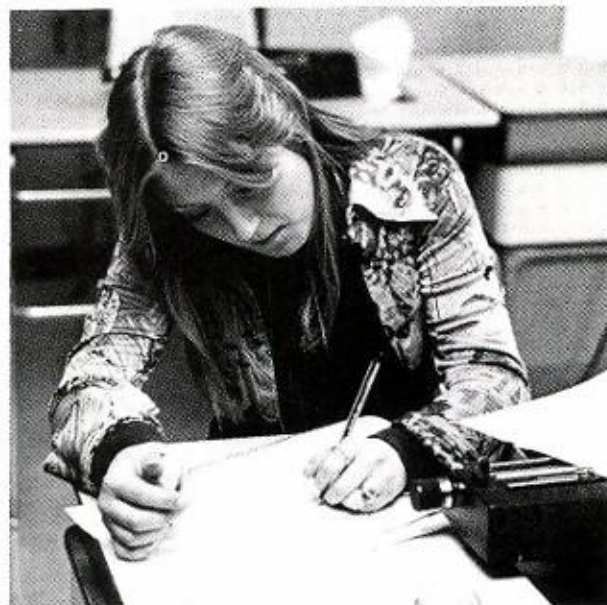

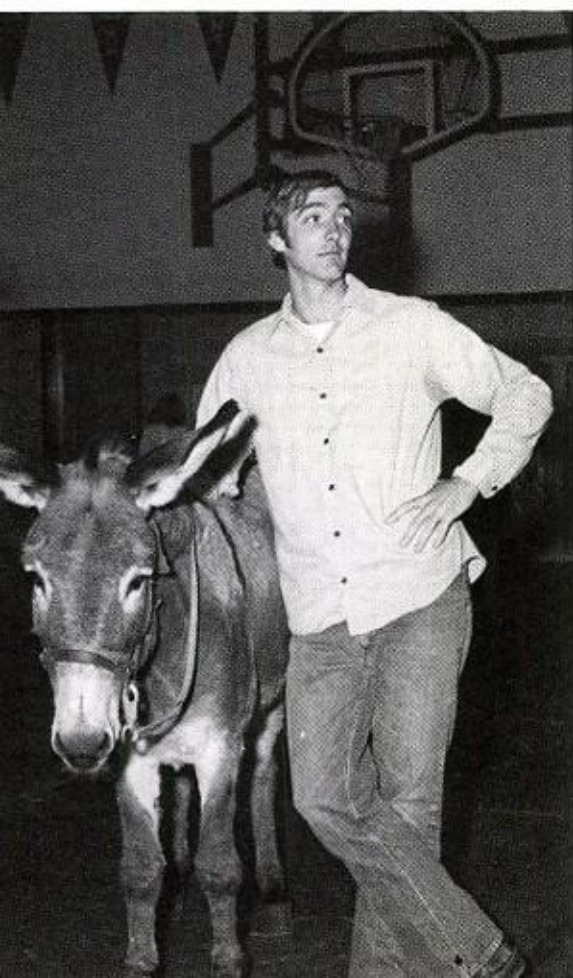

Becoming a secretary is not my big dream, but I joined BUSINESS EDUCATION anyway so I would have at least some idea about it. I did O.K. at typing, as long as I used only two fingers. Shorthand was another story. In fact, my teacher told me that it was impossible to tell the difference between my handwriting and my shorthand.

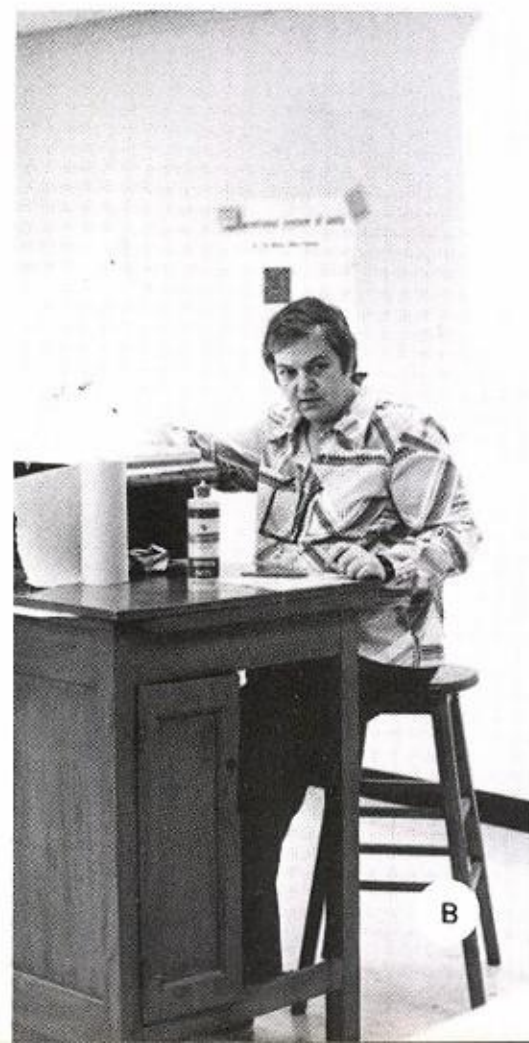

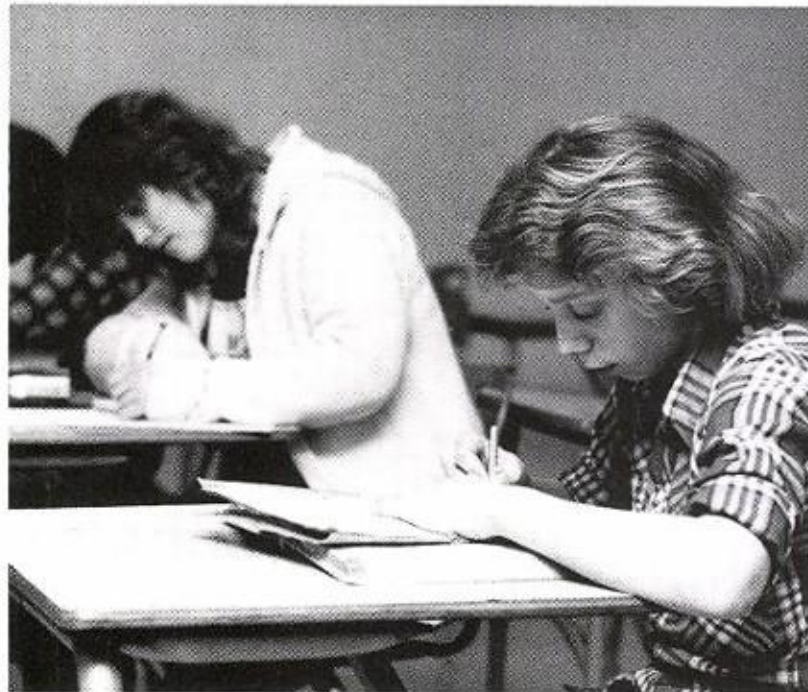

C. SEATED: Mr. Orr. STANDING: Mrs. Sandberg, Mr. Garlanger, Mr. Faoro.

MATH has always been one of my favorite subjects. At least it was until I got into Algebra, Geometry, and Trig.  $2x-3y+1x=7$ , 2% of .0864, and those proofs! Well, I think I'll just stick to the basic  $2 \times 3 = 6$  and  $1 + 1 = 2$ . You might just say that math is a problem!

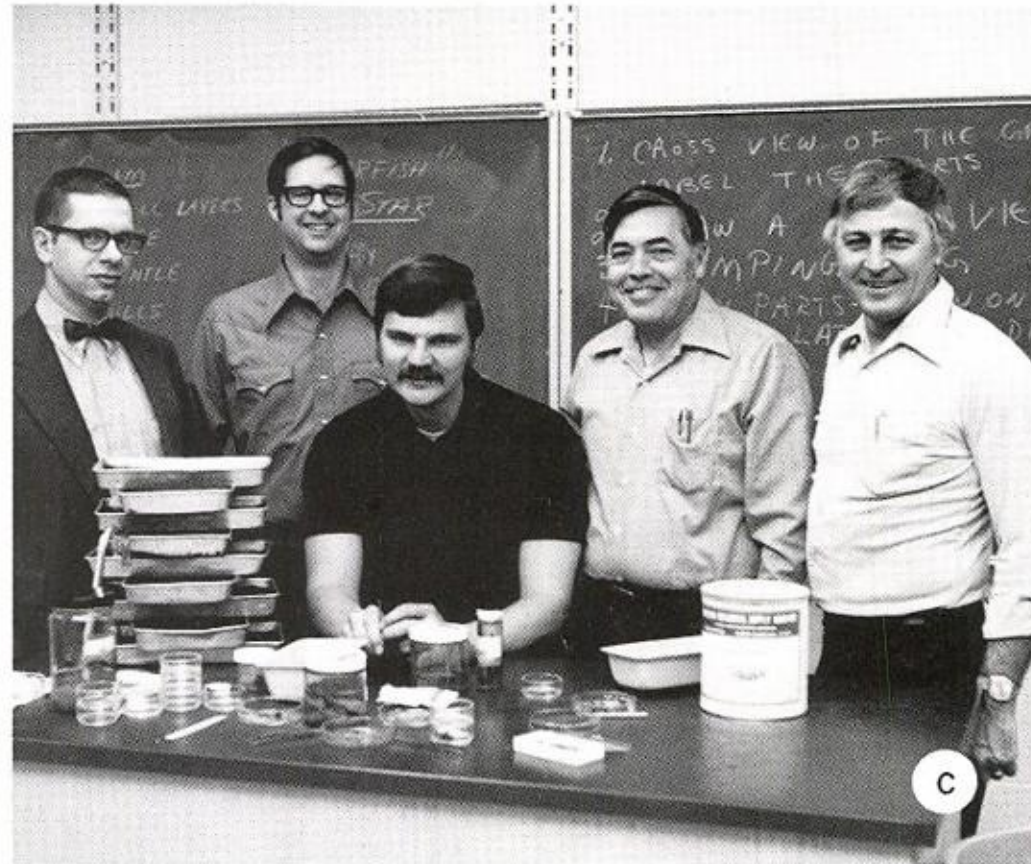

A. SEATED: Mr. Smith, Mr. Vierke. STANDING: Mr. Atkins, Mr. Baron, Mr. Vroman. B. Mrs. Decker.

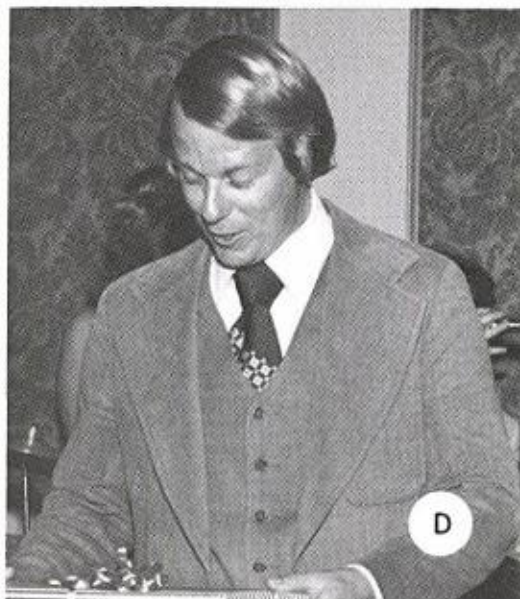

I think that some people have to be super brains to get through SCIENCE. I've heard a couple of Chemistry students complaining about moles and I didn't even know what they were talking about. I did make friends with the skeleton in Biology but I think that friendship will be rather one-sided.

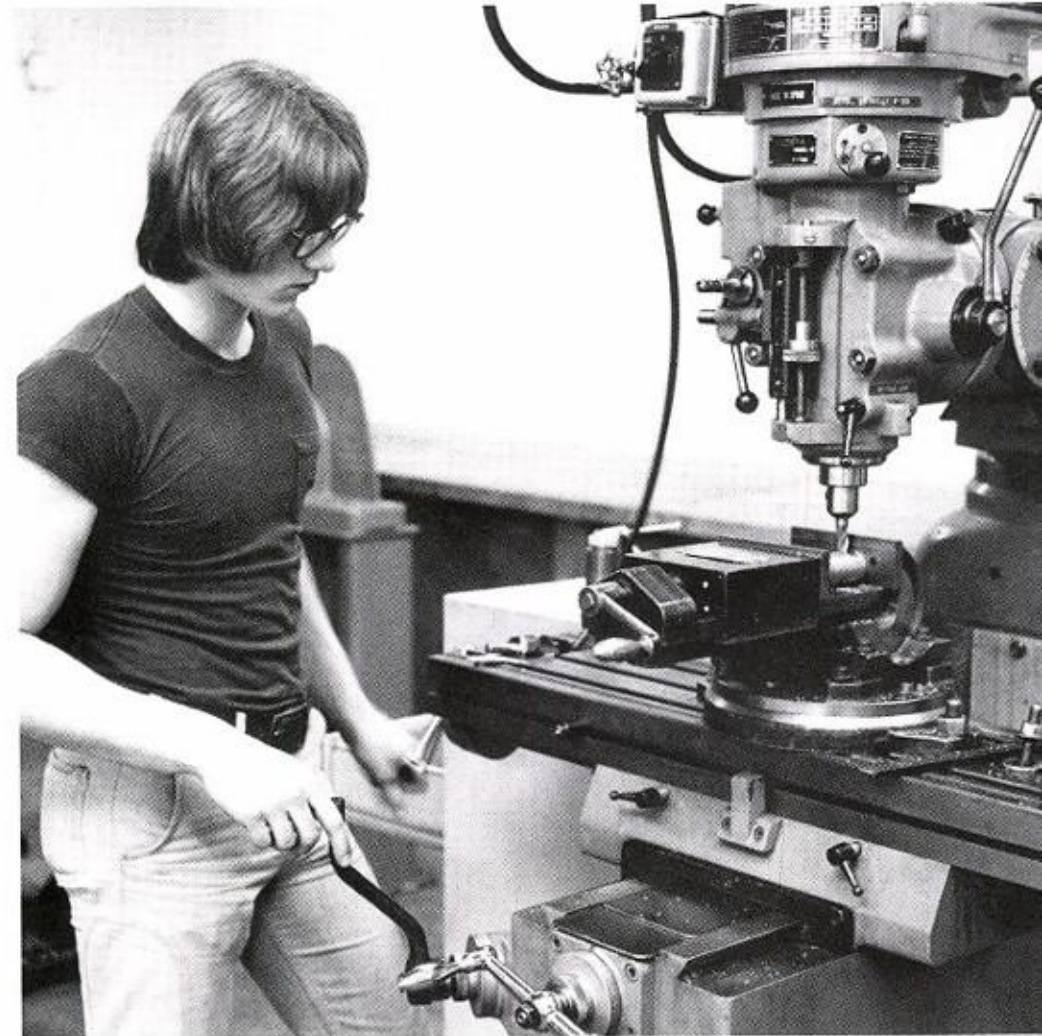

C. LEFT TO RIGHT: Mr. Seiler, Mr. Renaker, Mr. Jelinek, Mr. Wilcox, Mr. Baxter. D. Mr. Hofeldt.

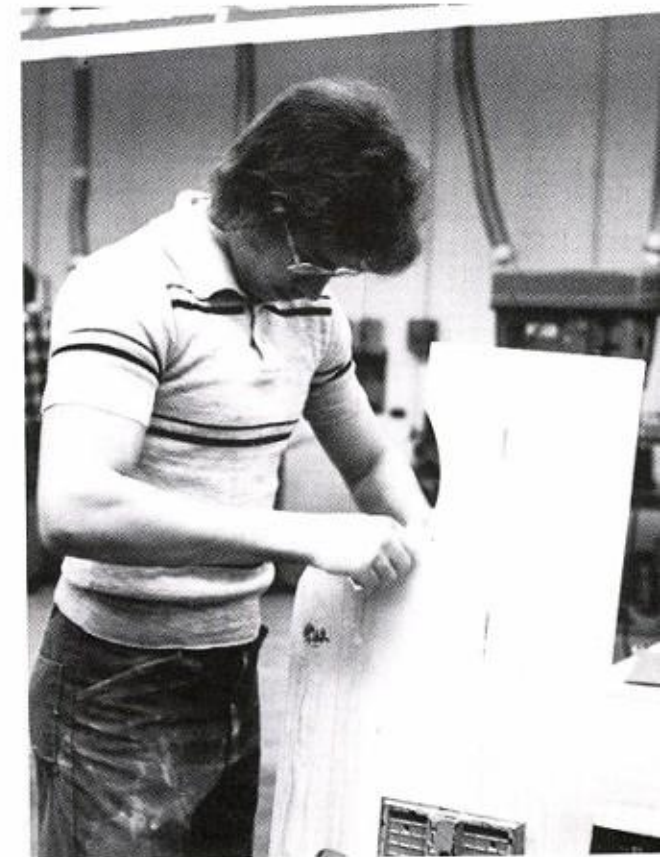

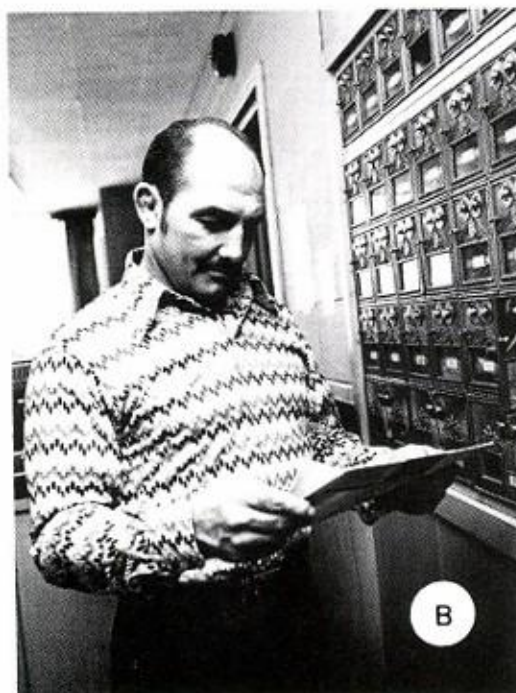

INDUSTRIAL ARTS was a little scary at first, with all those machines. I finally learned to operate most of them though, so now I'll be able to remodel my dog house. One thing I noticed safety glasses sure weren't designed for pug noses.

A. Mr. Kapraun, Mr. Robinson, Mr. Kazlauskis, Mr. Highley.

B. Mr. Rowden.

I don't think I've ever been scared, well at least not until I became an observer in the DRIVER'S ED car. Boy, those kids just zoom around like they're in a smash-up derby. As time passed, I learned all the fundamental skills of driving and how to hit the brake instead of the gas so I won't end up in the dog house!

I sniffed my way down to the HOME EC department the first day of school. Some nice girls helped me make a warm winter coat. They also shared lots and lots of their goodies with me. Funny thing, by the time winter came my new coat seemed to have shrunk.

I think it's great that Grant has a special department for kids with special needs. The SPECIAL ED students take some regular classes, but they also have many different activities of their own.

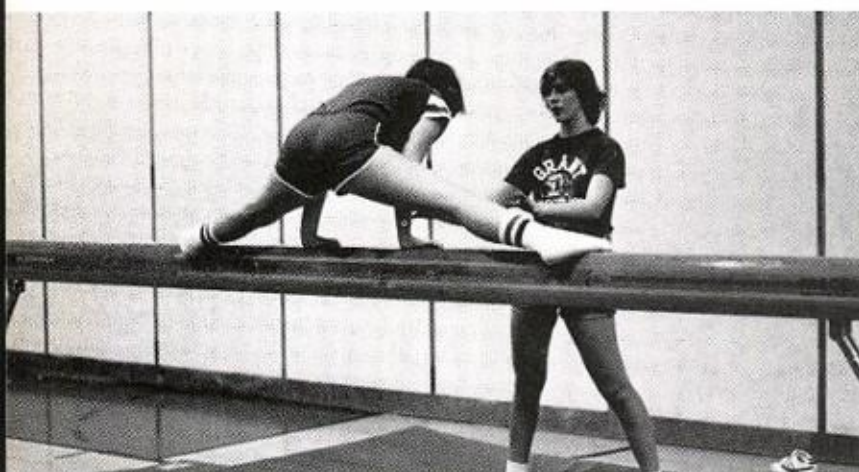

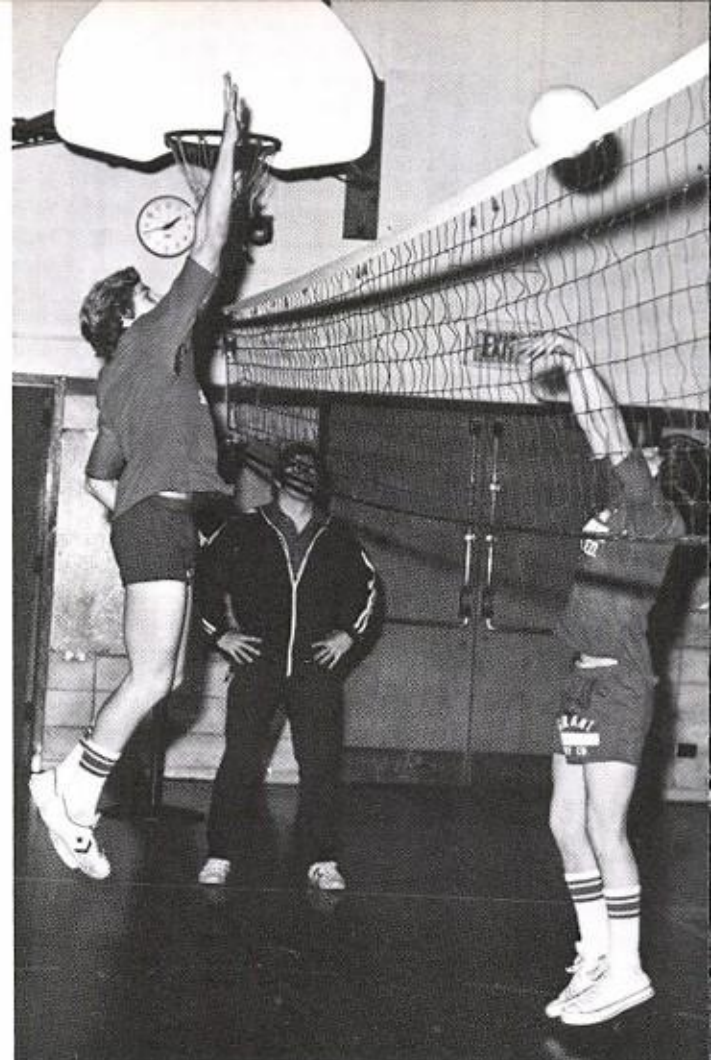

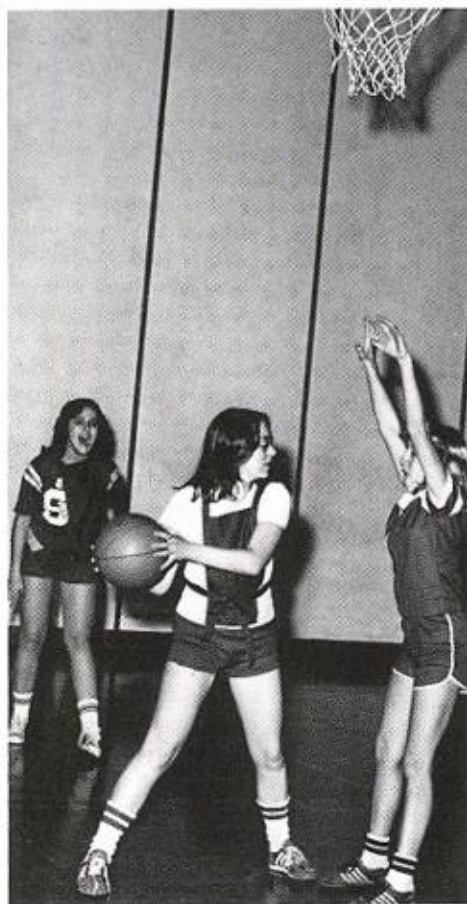

C. Mrs. Rubenstein, Mrs. Gardell, Mrs. Weissman, Mr. Bodine.

D. Mrs. Renaker, Mrs. Hofeldt.

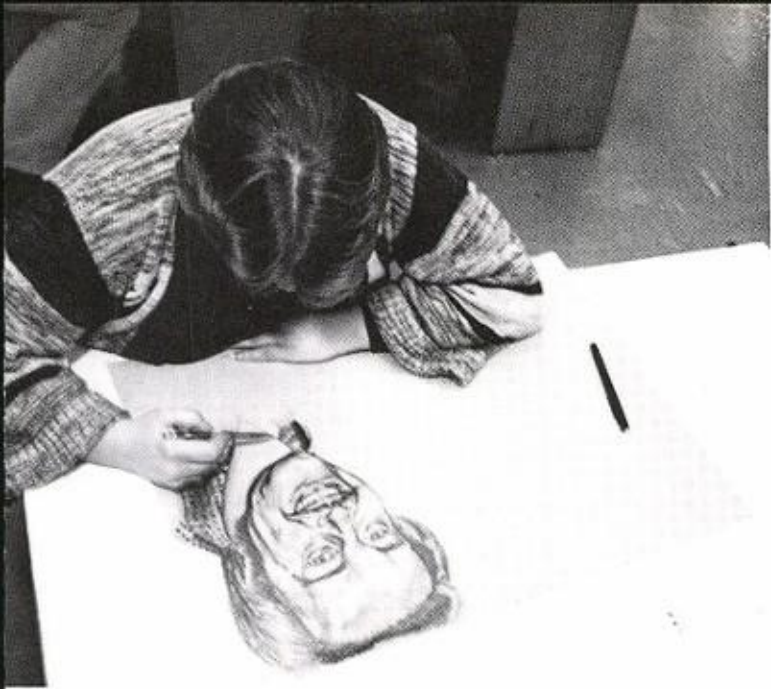

I bet you never saw a more athletic person than me at Grant. I really worked the flab off when I snuck into the freshmen P.E. classes and learned how to disco. Of course all those other activities were a lot of fun too, but I've got the disco fever!

A. Mrs. Tobiasz, Mr. Einhorn, Mr. Johnson. B. Miss Richardson, Mr. Maple.

I don't know if I have much talent for ART but I've learned how to throw clay better than the average student. Actually there's a lot of creativity coming out of that end of the school. My specialty is paw-painting.

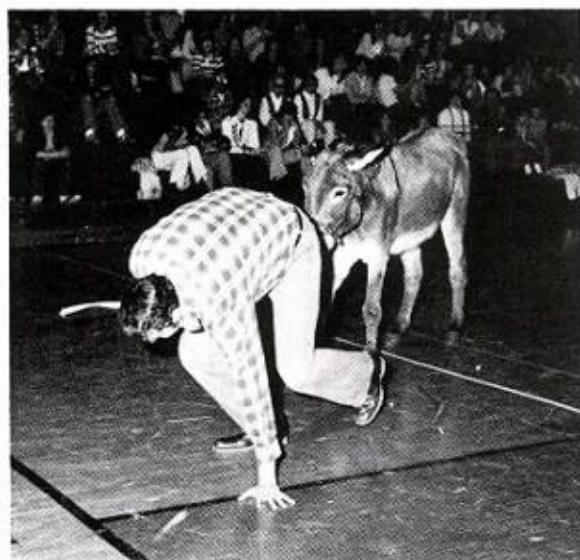

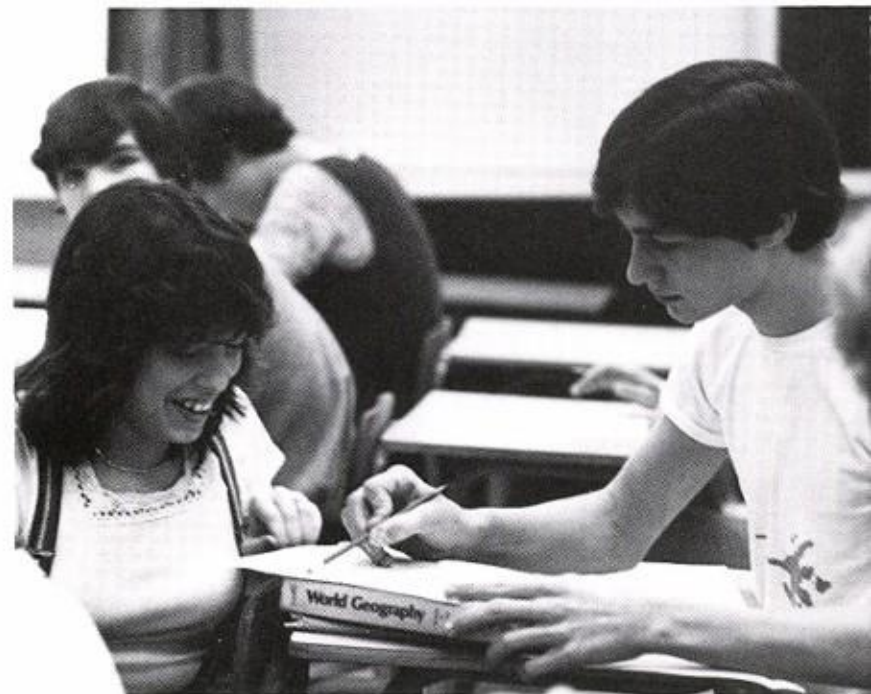

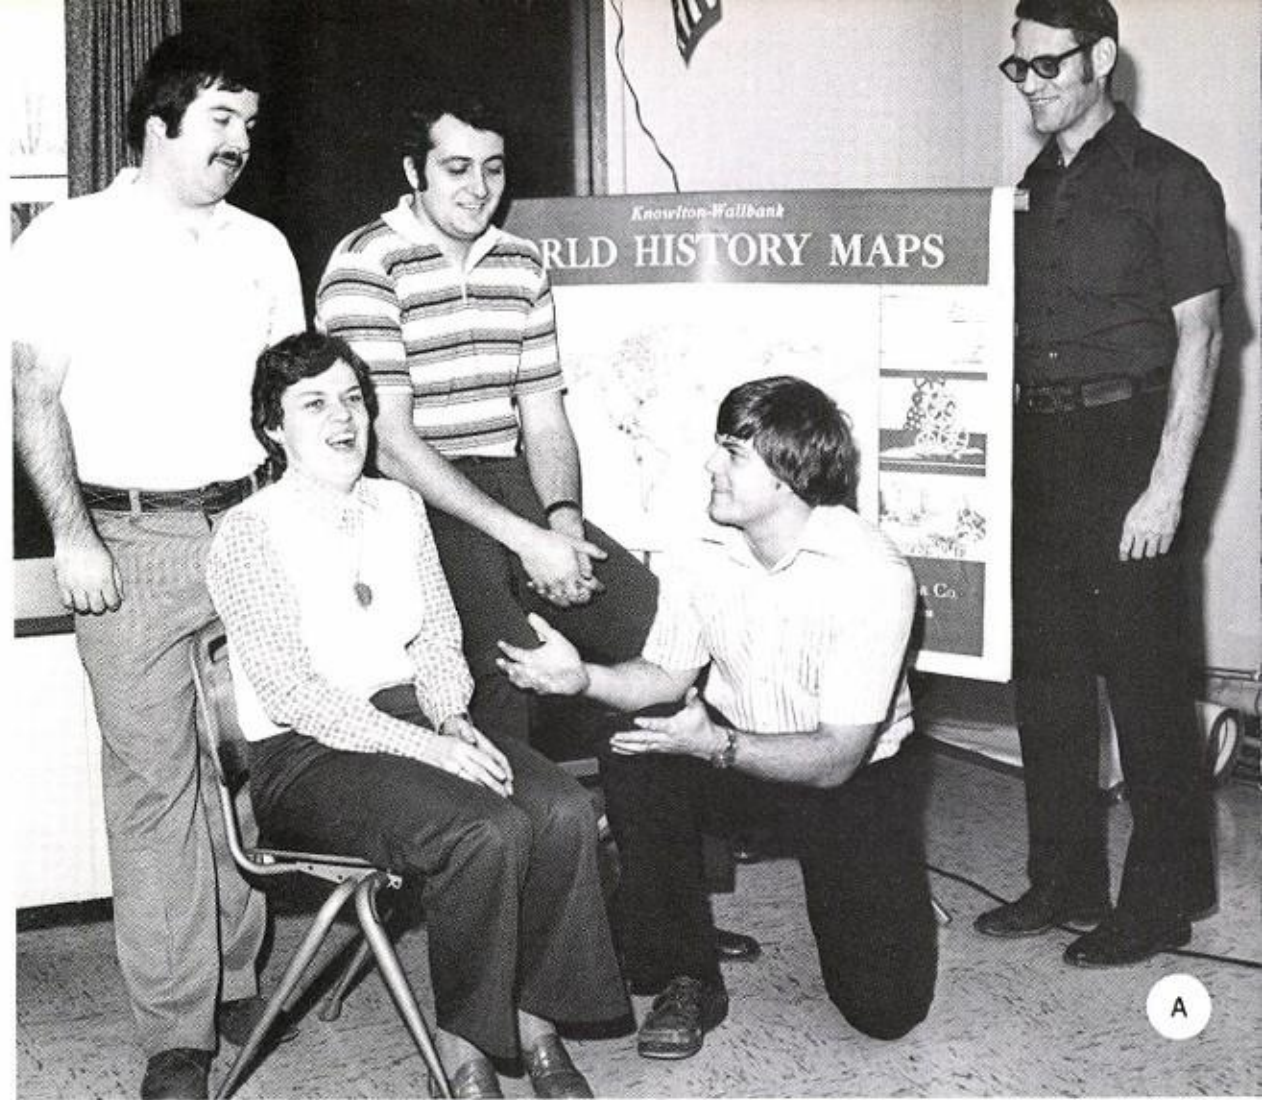

C. Mr. Rendl, Mr. Nordling.

I've always liked hearing about other countries and their people, so I was in and out of the SOCIAL STUDIES rooms quite often. I felt sorry for all the seniors getting roasted in Civics and Econ. But boy, I'll never forget good old Joe Gorplatznik. He was a good buddy of mine!

A. FRONT ROW: Mrs. Obenauf, Mr. Heimerdinger. ROW 2: Mr. Raddatz, Mr. Cittadino, Mr. Anderson.

B. Mr. Ring, Mrs. Van Slochteren.

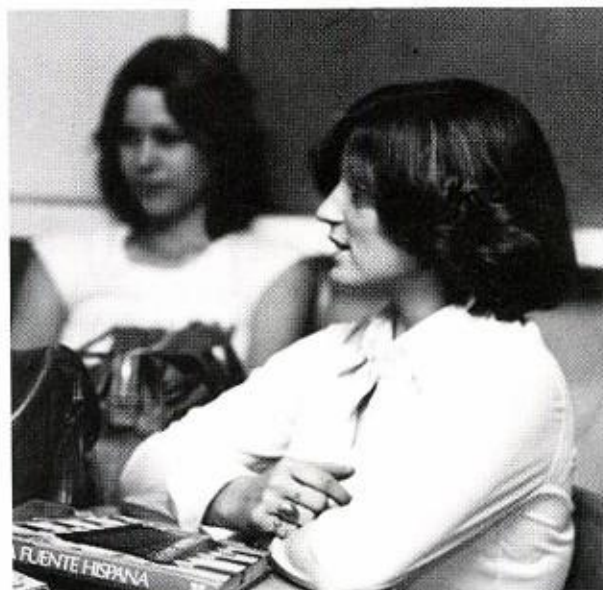

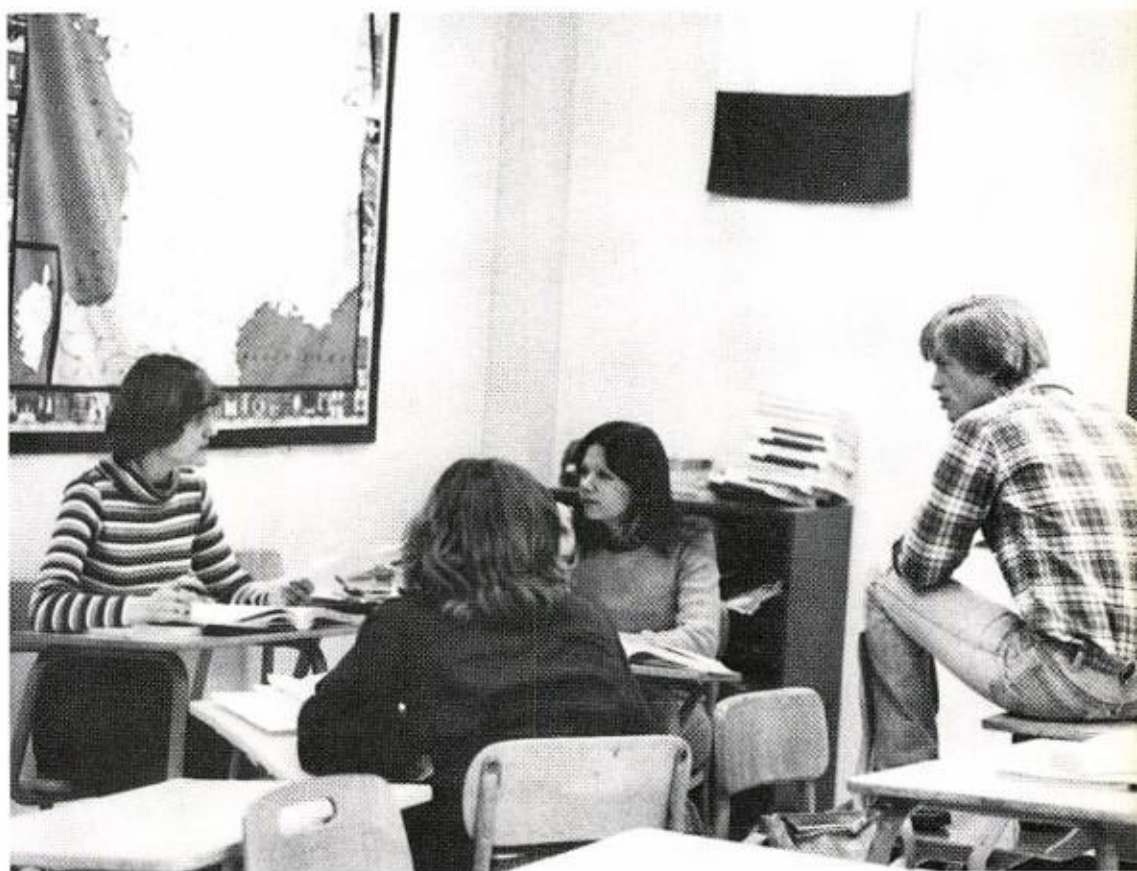

Boy, it sure took me awhile to understand all of the "bonjours" and "holas" in the FOREIGN LANGUAGE classes. After a few months (9 2/3 to be exact), I finally caught on. Though speaking French and Spanish is fun, I think I'll stick to good old English.

Dear Seniors,

Well, it's time to say goodbye to all you really great seniors. When I say great, I mean GREAT!

You've come a long way since freshman year. Remember Romeo & Juliet? GAA initiation? How about playing basketball and football in front of a roaring crowd of seven? Then the big day arrived when you became sophomores. You took the big step from squirrelly to "semi-cool". Remember all the hustle and bustle of selling oranges & grapefruits for prom?

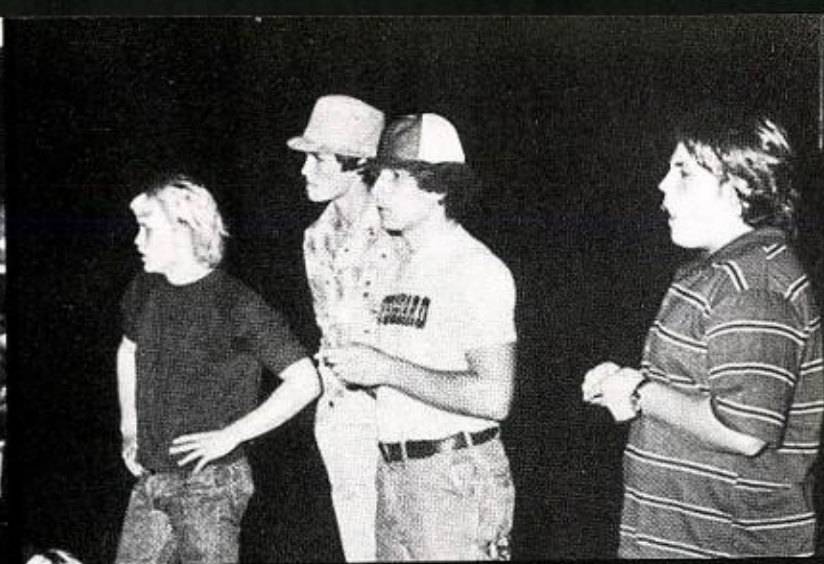

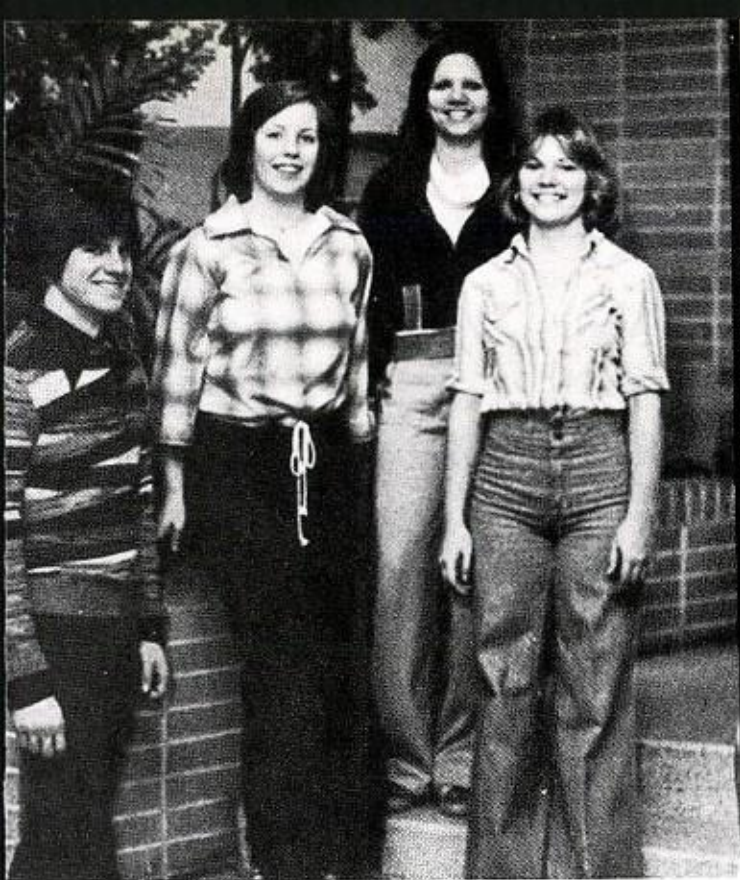

Next was the big step from lower-classmen to upper-classmen. Finally you got to go to prom and be a junior. (cool) Got always sounded older and more dignified than sophomore.

Senior year (SUPER COOL) came up so fast, it's hard to believe you guys are leaving. Through a whole year of observing your class it has dawned on me how successful you'll really be!

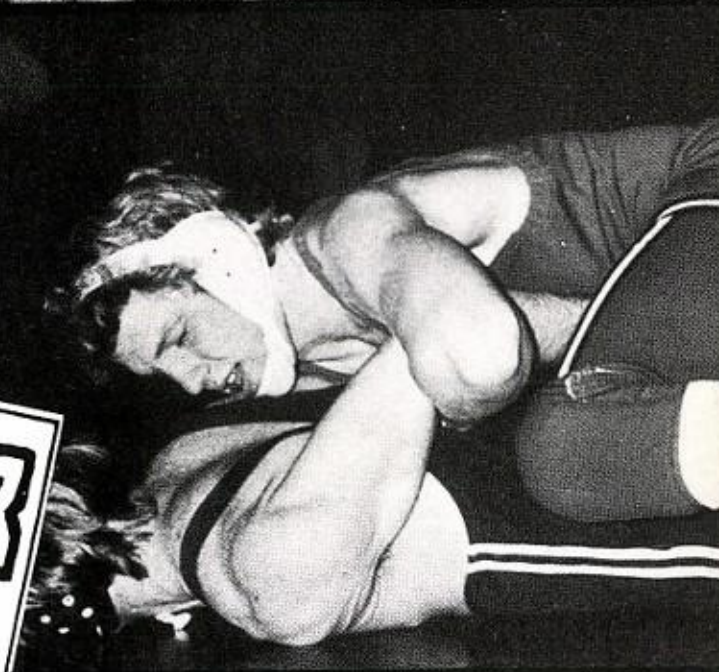

You've grown up a lot, and have experienced much throughout your four years together. The class of '78 (we are MIGHTY, we are GREAT!!!) will be remembered always. I wish you all success throughout your lifetime...

Killer Duke

What a year these juniors have had! Some of them worked on a Homecoming float that won first place honors. They received their class rings and bought me one to make me an honorary part of their class. Now wasn't that nice of them? Although the juniors liked this year they are looking forward to being seniors next year.

The sophomores are in the middle of Grant's life. They're not little people anymore yet they aren't one of the big guys either. This year's class will have quite a few memorable incidents to look back on. For instance, the fruit they sold for their junior prom, the color (green) and the smell (terrible) because the fruit came in late due to bad weather.

They'll also remember how excited they were when their blue slips came in, and how disappointed they were when their float came in last. You only have to look at them to know that the sophomores are a bunch of winners. They've shown a great sense of spirit in sports, at assemblies, and during the whole year. I guess from a sophomore's standpoint it's been a great year.

The Class of '81 struggled through the first couple of weeks with much difficulty. They ran into the same problems as I did finding classrooms, the pool, etc. Their new school seemed bigger and better than any other school they had ever seen. But, being in the Class of '81, they showed the upper classmen they would not let missing combos or lost classes keep them from being full-fledged Bulldogs.

# YEARBOOK

When I stopped by the yearbook class this year I saw a great group of people. The staff was so confident that this year they wouldn't miss any deadlines, but as the due dates got closer there were a couple of close calls. I was a little upset when I got one of my paws slammed in a cropper. They let me help sell ads and I am proud to say I really worked my tail off! I gorged myself with taffy apples, but it was against my principles to touch the hot dogs. There was always a lot of laughing and talking. But as you can see the yearbook did come out and you may even find a couple of pictures of me adding life to the rest of the folks at Grant.

YEARBOOK STAFF: FRONT ROW: L. Harris, E. Burns, C. Bay, L. Dinklenburg. ROW 2: A. Maelum, C. Phillips, J. Wanthal, J. Wanthal, E. Stanton, E. Urman, Mrs. Collins, Sponsor. ROW 3: L. Jones, R. Bauspies, T. Semmerling, D. Rozhon. NOT PICTURED: S. Fesanco, L. Hofflander.

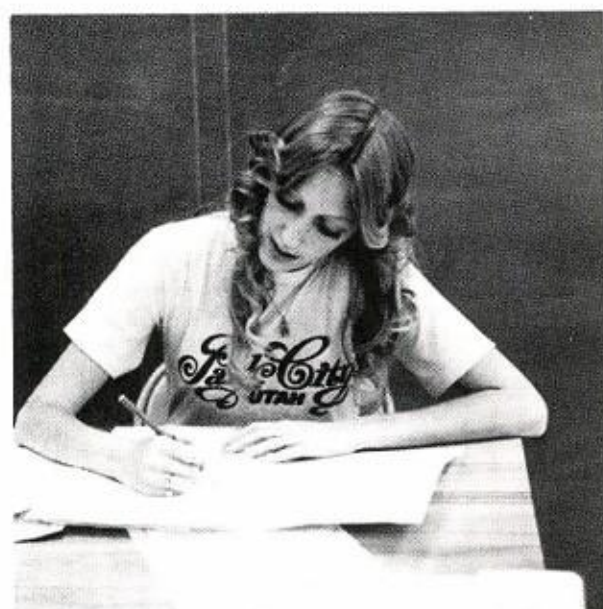

Deadline was a day away,  
After school we'd have to stay.  
Pictures were missing,  
And pages weren't done.  
Our long battle had not yet been won.  
Type up more copy,  
A pica too long.  
The cropper is broken,  
and this fits all wrong.  
The clock was still running,  
And so were our minds.  
Through all of the fun,  
We had fallen behind.  
We worked and we sweated,  
All through the night  
You can't disagree,  
It was quite a fight.  
Finally finished,  
The work is no more.  
The '78 yearbook,  
Was sent out the door.

Dear Killer Duke,

Though it took us awhile to get used to you prowling around the yearbook room, now that the year is over we really hate to see you go. We could never have put together the '78 yearbook without you. Not only did you say simply what we struggled to find the right words for, but you saw everything and went everywhere to gather stories and, of course, photographs for the 1978 Trumpeter "The Year in Pictures".

We on the yearbook staff hope that you had as much fun as we did putting the book together, and we hope that the students from the classes of '78 through '81 enjoy looking through the book and remembering the '77-'78 school year.
